KSSD TRUST'S 2025 GOALS: STRATEGIC VISION FOR IMPACT, GROWTH AND SUSTAINABILITY

Empowering Underprivileged Children Through Quality Education, Nutrition And Skill Development

1) Scalable Educational Expansion

OBJECTIVE

Expand student capacity to over 600 students by launching a three-tier education model comprising Preschool, Morning, and Evening Schools.

KEY INITIATIVES

Provide flexible, high-quality education tailored to the diverse needs of underprivileged children.

Increase outreach in underserved communities, fostering long-term educational access and scalability.

2) Strategic Partnerships for Holistic Development

OBJECTIVE

Strengthen collaborations to enhance educational offerings and create sustainable social impact.

KEY PARTNERSHIPS

Collaborate with Empower Future Wave Foundation and Soomparna Shiksha to deliver

- Spoken English programs
- Teacher Training
- Career Guidance
- Financial Literacy

Partner with Feeding India to provide daily meal programs, benefiting both students and the broader community.

3) Empowering Girls through Education and Leadership

OBJECTIVE

Expand the Saksham Lakshmi Program to empower 30 underprivileged girls.

KEY INITIATIVES

Focus on education, leadership development, and gender equality.

Break societal barriers to enhance self-reliance.

Cultivate future leaders, driving gender parity and societal change.

4) Enhancing Digital Literacy Infrastructure

OBJECTIVE

Bolster digital literacy education by equipping the computer lab with 10 additional computers.

KEY INITIATIVES

Bridge the technological gap for disadvantaged students.

Foster future employment opportunities and societal advancement.

Equip students with critical digital skills, preparing them for the digital economy.

5) Cutting-edge STEAM Education

OBJECTIVE

Launch an advanced STEAM Lab to develop 21st-century skills.

KEY INITIATIVES

Monthly hands-on projects in:

- Coding
- Robotics

- Artificial Intelligence (AI)
- Augmented Reality/Virtual Reality (AR/VR)
- Internet of Things (IoT)

Align with global workforce trends and industry demands.

Foster innovation and critical thinking among students.

6) Scaling the Aarushi Manocha Program for Greater Impact

OBJECTIVE

Expand the Aarushi Manocha Program to support 20 beneficiaries.

KEY INITIATIVES

Provide essential school supplies, including:

- Uniforms
- Study lamps
- Educational materials worth ₹3,000.

Ensure educational equity and personal growth for marginalized children.

7) Institutional Legitimacy through Registration & NEP 2024 Alignment

OBJECTIVE

Enhance institutional credibility and governance standards.

KEY INITIATIVES

Register the Trust's schools and align operations with the National Education Policy (NEP) 2024.

Increase stakeholder trust and ensure compliance with national educational frameworks.

8) GuideStar India Certification for Credibility

Achieve the prestigious GuideStar India Certification to demonstrate transparency and accountability.

KEY INITIATIVES

Complete documentation and financial audits.

Elevate the Trust's status among financial donors, philanthropists, and corporate partners.

Secure future collaboration opportunities.

9) Operational Excellence through Agile Management Practices

OBJECTIVE

Implement agile management methodologies across operations.

KEY INITIATIVES

Improve efficiency and facilitate real-time performance reviews.

Foster a culture of continuous improvement.

Enhance adaptability and responsiveness to meet evolving educational and business demands.

10) Sustainable Transportation Service for Accessibility

OBJECTIVE

Introduce a cost-effective, sustainable transportation service for students.

KEY INITIATIVES

Ensure reliable access to education for children from economically disadvantaged backgrounds.

Overcome geographical and logistical barriers.

Promote inclusivity, ensuring regular school attendance regardless of location.
