KSSD Trust Introduction

The KSSD Public Charitable & Welfare Trust, established in 2022, is a nonprofit organization dedicated to empowering underprivileged children through comprehensive quality education and healthcare. Inspired by the story of a remarkable girl who nearly discontinued her education due to lack of family support, the Trust is committed to enhancing education, skill training, health, digital literacy, teacher training, career guidance & mentoring, and special support for girls' education ensuring they can lead independent and dignified lives.

Since its inception, KSSD Trust has empowered over 1100 underprivileged children through these initiatives. Kanhaiya Singh Shikshan Kendra (KSSK) and Sugeshwari Devi Coaching Center provide education up to class 10th, focusing on digital skill-building, teacher training, scholarships, career guidance, and mentoring. Special support for female students is a priority, complemented by comprehensive health checkups and stringent hygiene and safety standards. Our mission is to create a nurturing environment that ensures holistic development and equitable opportunities for all children.

Mission:

KSSD Trust aims to provide quality education to **1,00,000 children** by 2040 in India with a special focus on the state of Bihar.

Vision:

KSSD Trust envisions enabling quality education and health for the underprivileged children.

Target Group:

KSSD Trust focuses on students from class 1 to class 10. We believe that every citizen in the country needs quality education at least until class 10 to be employed meaningfully and achieve their full potential in any field.

Area of Work:

Education, Skill training, Health, Wellness, Digital Literacy, Teacher Training, Career guidance & mentoring

Award:

- › Best NGO Award in January 2024 from the National NGO Federation of India.
- › Innovation in Social Service Award in April 2024 from the Business Mint.

Highlights and Accomplishments

Expanded Educational Reach:

- › Education up to Class 10 for over 1100 underprivileged children.
- › Evening school programs.

Infrastructure Development:

- › State-of-the-art computer lab.
- › Improved classroom facilities.
- › Kitchen and Lunch serving area

Teacher Training Programs:

- › Comprehensive teacher training initiative.
- › Regular workshops and training sessions.

Student Development Programs:

- › Gurukul Program & Digital Patshala
- › STEM Challenges
- › Indoor games competitions.

Scholarships and Financial Support:

- › Scholarships for higher education.
- › Vidya Daan Program for educational resources
- › Saksham Lakshmi

Daily Meal Program:

- › Successful Daily Meal Program with Feeding India.
- › Regular health check-ups and hygiene initiatives.

Focus on Health and Safety:

- › Sexual Harassment and POSCO Act training.
- › High standards of hygiene and sanitation.

Green and Clean Initiatives:

- › Environmental initiatives for sustainability.
- › Student participation in green initiatives.

Career Guidance and Mentoring:

- › Career Guidance and Mentoring Program.
- › Personal Mentoring

Community Engagement and Social Media Presence:

- › Increased social media presence.
- › Strengthened community engagement.

Comprehensive Student Development Programs

Empowering Students and Teachers for a Brighter Future

Gurukul Program:
Traditional Learning Reinvented

Saksham Lakshmi Program: Empowering Young female students

Scholarships for Higher Education: Pathways to Academic Excellence

Digital Harvest Program: Rural Digital Employment Opportunities

Vidya Daan Program: Educational Support for Underprivileged Children

Sehat Seva Program: Wellness for Every Child

Saksham Shikshak Program: Training Tomorrow's Educators

Career Guidance & Mentoring Program: Shaping Future Leaders

Daily Meal Program: Nourishing Young Minds

Get the AI Edge: AI Skills Development programs

STEM Challenge: Exploring Science, Robotics, and Space

Speak Mastery: Communication Skill improvement program

Life Skill Master: Life skill mastery program

Saksham Vidyarathi: Building skills for tomorrow

Sexual Harassment and POSCO Training: Ensuring Safety and Awareness

Comprehensive Student Development Environment

Challenges and Lessons Learned

Challenges:

Over-Reliance on Senior Educators

Challenge: Heavy dependence on senior educators means the departure of any key educator can disrupt operations.

Lesson Learned: Develop a succession plan and cross-train junior teachers to reduce dependency on senior staff.

Mindset of Junior Teachers

Challenge: Some junior teachers show resistance to professional development and lack initiative.

Lesson Learned: Implement targeted professional development programs and foster a culture of continuous learning and initiative-taking.

Senior Students' Reluctance Towards English Language

Challenge: Overcoming the reluctance of senior students to learn English.

Lesson Learned: Introduce engaging and practical English learning modules tailored to senior students' interests and needs.

Limited Resources

Challenge: Financial constraints limit investments in technology, salaries, and facilities.

Lesson Learned: Prioritize resource allocation, seek additional funding sources, and optimize existing resources for maximum impact.

Dependence on Donors

Challenge: Vulnerability to economic fluctuations or shifts in donor priorities.

Lesson Learned: Diversify funding sources and build long-term relationships with a broad base of donors.

Capacity Constraints

Challenge: Limited space and recruitment challenges hinder expansion.

Lesson Learned: Plan for infrastructure expansion and strategic hiring to accommodate growth.

Future Plans for KSSD Trust

Expand Educational Programs:

- › Introduce higher secondary education (Classes 11 and 12).
- › Expand evening coaching classes to include vocational training and skill development programs.

Enhance Digital Infrastructure:

- › Upgrade the existing computer lab with advanced technology.
- › Launch a comprehensive digital literacy campaign for students and community members.
- › Implement a school-wide Learning Management System (LMS) for enhanced e-learning.

Focus on Teacher Development:

- › Continuous Professional Development (CPD) programs for teachers.
- › Collaborate with educational institutions for advanced teacher training workshops.
- › Introduce a teacher exchange program with other schools and educational institutions.

Strengthen Health and Wellness Initiatives:

- › Establish a dedicated health and wellness center within the school premises.
- › Regular health check-ups and counseling sessions for students and staff.
- › Expand the daily meal program to include breakfast and nutritional supplements.

Promote Environmental Sustainability:

- › Implement a green school program focusing on renewable energy, waste management, and sustainable practices.
- › Develop a school garden and promote organic farming activities among students.
- › Organize community clean-up drives and environmental awareness campaigns.

Foster Extracurricular Activities:

- › Introduce new clubs and societies, including arts, music, drama, and debate.
- › Organize annual inter-school competitions in sports, science, and cultural activities.
- › Provide professional coaching for sports and other extracurricular activities.

Strengthen Community Engagement:

- › Expand community outreach programs to include adult education and vocational training.
- › Organize regular community meetings and feedback sessions to understand local needs.
- › Partner with local businesses and organizations for community development projects.

Enhance Scholarship Programs:

- › Increase the number of scholarships for meritorious and underprivileged students.
- › Establish a scholarship fund with contributions from alumni and well-wishers.
- › Introduce specific scholarships for girls and students from marginalized communities.

Integrate Advanced Technologies in Education:

- › Implement Artificial Intelligence and machine learning tools to personalize learning experiences.
- › Introduce coding and robotics classes for all students.
- › Partner with tech companies for workshops and training sessions on emerging technologies.

Expand Career Guidance and Mentoring:

- › Establish a dedicated career counseling cell within the school.
- › Organize regular career fairs and guidance sessions with professionals from various fields.
- › Provide one-on-one mentoring and support for students' higher education and career aspirations.

Focus on Holistic Development:

- › Introduce life skills and value education programs as part of the curriculum.
- › Organize workshops on mental health, stress management, and emotional well-being.
- › Promote inclusive education and provide support for students with special needs.

Conclusion

2024–2025: A Transformative Year for KSSD Public Charitable Trust

Education, Health, and Holistic Development:

- › Touching countless lives
- › Innovative programs
- › Strategic partnerships

Unwavering Commitment:

- › Significant strides in empowering underprivileged children
- › Continuous evolution to meet challenges and seize opportunities

Gratitude:

- › Heartfelt thanks to supporters, sponsors, and the community
- › Together, shaping a brighter, more equitable future for every child
