Dear KSSK Team,

It was marvellous to be at your centre of learning. I was Overwhelmed by the reception. All the staff from principal to office staff, the management were wonderful in their devotion and dedication. The cordiality, their sincere effort in conducting a quality education program is highly appreciable. I was immensely happy with the entire programme. The arrangement was excellent and I felt jubilant to be part of function.

This is the kind of Learning Centre that the world needs. Here you find the real motive of free education with self development and equality that we all long for, surrounded by unspoiled nature. We hope in coming days there are some recreation and play activities for the students.

Our heartily congratulations to the management, principal and all the staff. We feel proud of being associated with the KSSK. Congratulations to all the students. We wish their sincere, dedicated service minded work to continue and grow further.
