*Holy Ghost Lutheran School*

6630 LUTHER STREET  
NIAGARA FALLS, NEW YORK 14304

1983 - 1984

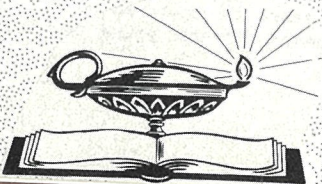

Holy Ghost Lutheran School was established in 1843 by our forefathers, who had left their homes in Prussia to settle in a land where the government would not interfere in the religious instruction of the young. As they settled in New Bergholz, one of their first priorities was to establish a school. Thus, the school of the Evangelical Lutheran Church of New Bergholz was begun. In the 140 years that have passed since that time, we have been blessed to occupy three buildings. The second was built and dedicated in 1912 and our third and present building was opened in 1958. We thank and praise our Heavenly Father for 140 years of grace as we provide a Christian educational environment for our young people.

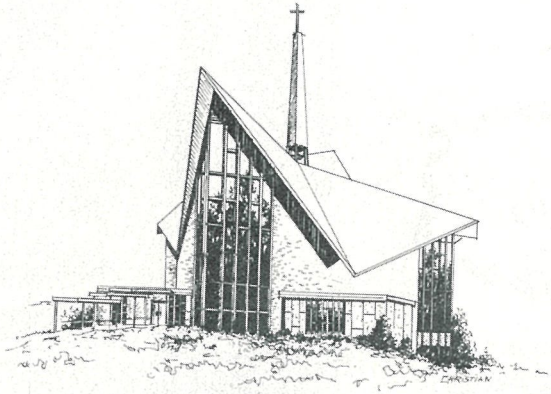

## Principal's Message

Rick Kerr

Another good year has passed before us and we naturally look back to some of the blessings it held. Hopefully for each of us there has been a special friend, a special occasion, a special need met, a glimpse of God at work in our lives. At the same time, I hope that each of us has had a chance to give of himself - a chance to reach out, to listen, to speak, to touch, to love. The part of ourselves that we leave behind - an act of compassion, a difficult job well done, thoughtless words spoken in anger - these are the things the world sees and measures. As Christians we pray that our lives would witness to the world about the love of God as shown through His Son Jesus Christ. The days that drop behind are always a part of us and, through the power of the Holy Spirit, we and others can remember this year as being special in our work in God's Kingdom.

## *Pastor's Message*

### HE CARES...WE SHARE

Another year of school at Holy Ghost, this year under the theme "He cares..We share." And have we experienced His caring for us again? You bet we have! He has cared for us by the gift of the Gospel, which we have celebrated all year long. That Gospel message of His care and caress of each of us through His Son Jesus Christ. That kind of caring that would lead Him to give His life for us all on the cross. Finally, we have experienced His care of us as a school by His providing and protecting, individually as well as together. He cared for us when some of us were sick or hospitalized. He provided all that we needed. And this year we were all protected from any serious harm.

Our response to all this was our gift of ourselves to Him. We shared of ourselves with Him in prayer, song and gifts. Our chapel offerings actually doubled this year. That's how we thanked our Heavenly Father for His care of us in Jesus Christ, we shared! He Cares..We Share.
