Holy Ghost Lutheran School

6630 LUTHER STREET
NIAGARA FALLS, NEW YORK 14304

1985 - 1986

Holy Ghost Lutheran School was established in 1843 by our forefathers, who had left their homes in Prussia to settle in a land where the government would not interfere in the religious instruction of the young. As they settled in New Bergholz, one of their first priorities was to establish a school. Thus, the school of the Evangelical Lutheran Church of New Bergholz was begun. In the 143 years that have passed since that time, we have been blessed to occupy three buildings. The second was built and dedicated in 1912 and our third and present building was opened in 1958. We thank and praise our Heavenly Father for 140 years of grace as we provide a Christian educational environment for our young people.

Principal's Message

A study done recently reports that the "average" person can remember only seven items on any list read to him. Now all of us, because of our new life in Jesus Christ, are "above-average", but let's consider this applies to us as we read these pages. From this school year, will you remember....

- 7 friends - new friends, old friends in new surroundings, some who were closest?
- 7 activities - classroom, school, and church activity which brought us closer to each other?
- 7 moments - that were special - with friends, alone, or with the Lord?
- 7 words - spoken at the right time?
- 7 promises - that were kept?

As we look back, let us consider the promise of "Life in Christ". Because God loves us, He sent His Son for us and we are made alive. If only seven words can be remembered, how about:

"For God so loved the world, that....."

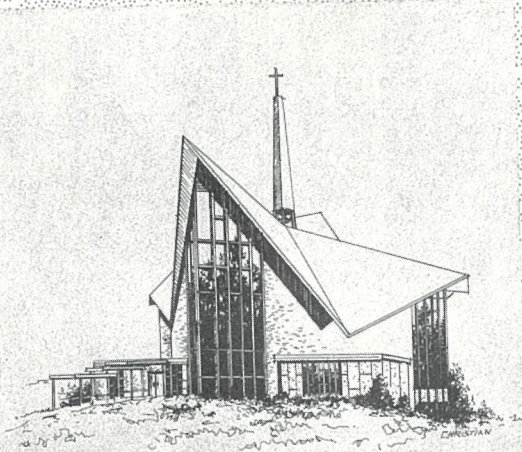

Pastor's Message

ALIVE IN CHRIST'S LOVE

What a fabulous year we have had! What great memories! What we can remember most of all is how "alive" everything has been for us this year. We have been active and alive in classroom work and play. We have been alive in competitive sports and games (even with intramural playoffs during school). We have played well in the inter-Lutheran school sports events. And we have been alive in scholastic competitions.

But all these lively signs are only possible because of God's love made alive in His Son Jesus Christ. We have once again witnessed that gift of love born in the babe of Bethlehem. We saw Him grow up and mature; preaching and teaching. Finally, we witnessed His suffering and death. But He too was made "alive" by the power of God through the Easter event; His resurrection.

It is that resurrection that fills us with "life". And that new life comes forth in loving response of worship and praise. Our new choir participated in public worship. Our children showed love and care by visiting and ministering to the residents at a local nursing home. They showed an alive spirit in offering gifts through chapel offerings and sharing themselves with each other. Now that's Alive in Christ's Love!
