

AT THE MELBOURNE BOAT SHOW

Visit the Boating Careers Education Precinct! Meet leading colleges, TAFEs, and industry experts. Discover pathways into exciting careers in the boating and marine industry.

Boating Careers Education Precinct

This year, the Education Precinct is bigger than ever! If you're considering an apprenticeship, have you thought about marine craft construction, or marine mechanics? Or perhaps maritime operations, or other maritime careers? This is your chance to chat with education providers and industry professionals to map out your future in the boating world.

Exhibitors:

- Australian Maritime College (University of Tasmania)
- TAFE Gippsland
- Australian Institute of Engineering
- GoTAFE
- Headstart & Local Learning Networks

Learn about apprenticeships, certificate programs, and study options to set sail on your boating career!
