

# Boating Careers

## Addressing the skills shortage

Boating Careers is Victoria's leading platform dedicated to bridging the gap between aspiring individuals and rewarding opportunities in the marine and boating industry. This BIAV initiative is here to revolutionize the way new talent navigates its way into training pathways and employment opportunities within our exciting industry.

**Boating and marine industry career hub**

**Recruitment and employment**

**Apprenticeship Support**

**Industry Immersion Programs**

**Industry profile and awareness building**

**[boatingcareers.com.au](http://boatingcareers.com.au)**

Boating Careers benefits both employers and candidates by bridging the gap between industry demand and skilled professionals. Employers gain access to a pool of qualified candidates, while candidates receive the necessary training, support, and opportunities to thrive in the boating industry.

### **Employers Benefits**

- Access to skilled candidates
- Streamlined Recruitment Platform
- Industry Specific Expertise

### **Candidate Benefits**

- Clear Training Pathways
- Career Guidance
- Connection to Industry
- Apprenticeship Support
