

Must ID Anyone Drinking

Thank you for volunteering to work a Taste of Park Ridge Ticket Booth! We appreciate your help in making our event a success! Upon arrival:

1. Everyone regardless of how old they look must be ID'd and must have a bracelet confirming that their ID has been checked and that they are legal to drink in order to buy alcohol.
2. You must ask them to present their license. If they do not present valid proof of age, do not give them a bracelet. If you are unsure whether their identification is legit, please ask a police officer or ask an Orange Shirt to get a police officer.
2. To drink on Thursday, July 9th, the individual must be born on or before July 9, 2005

4. Once you've confirmed that they are legal to drink, you **MUST** be the one to put their wristband on them. You may not allow them to put the wristband on themselves. **YOU HAVE TO DO IT.**
