

Petition

To The Legislative Assembly of Ontario:

WHEREAS thousands of compassionate citizens bring wildlife to authorized non-profit wildlife rehabilitation centres;

WHEREAS on September 26th, 2023, according to traumatized staff and volunteers of Mally's Third Chance Raccoon Rescue and Rehabilitation Centre, the Ministry of Natural Resources and Forestry launched a massive military-style raid on the non-profit organization;

AND WHEREAS this is not the first time such unjustified actions have occurred; indeed in 2002, the Ministry conducted a similar raid at the Ottawa-Carleton Wildlife Centre, seizing their raccoons.

THEREFORE, we the undersigned, petition the Legislative Assembly of Ontario as follows:

- explain why Ministry staff conducted such a raid, if, as reported, there had been no site inspections for 18 months; and
- provide full disclosure of all medical testing conducted on the 87 raccoons and explain the improbability of vaccinated pre-release juveniles, housed outdoors, all contracting the same 2014 wild-strain distemper. If such vaccine is so ineffective, why has such been a recommended standard of the International Wildlife Rehabilitation Council since 2013.

MALLY'S RACCOONS

PETITION INFO

Rules for Signing Petition

1. Only residents of Ontario may sign the petition
2. Anyone who can sign their name in ink, however young, is welcome to sign a petition
3. Signatures and information must be in blue or black ink pen
4. Be sure to complete your name and address in full with city and postal code included
5. The back of the page must remain blank

Submitting Your Petition(s)

- Kindly mail all completed petition pages to
Animal Alliance of Canada
#101 - 221 Broadview Avenue
Toronto, ON M4M 2G3
- Aim to have completed petitions delivered to Animal Alliance by February 15
(date may change)

Why Not Gather More Petitions & Submit Them Along With Yours

- Ask your friends, family, and friendly neighbours.
- Bring your petition to work to share with co-workers
- Bring your petition to group meetings or events you go to
- Collect signatures in high-traffic areas and places where you know you can get support
- Recruit other people and go out in groups - you'll be able to collect more petitions this way
- Be sure that everyone completes their name and address in full with city & postal code too
- Be mindful that confidential information is provided on the petition sheet (address), so ensure the completed petitions are kept private from public view
