

WHO AUTHORIZED THE MILITARY-STYLE RAID?

HOW REHABBERS
TREAT WILDLIFE

HOW THE MNRF
TREATS WILDLIFE

On Sept 26, 2023, the Ministry of Natural Resources (MNRF) inhumanely & violently seized 87 innocent raccoons from Mally's Third Chance Raccoon Rescue using a grotesque display of force that terrorized the sick, injured & orphaned raccoons as well as all staff and volunteers present.

The MNRF have admitted to killing all of the raccoons just 11 days after a Superior Court Judge ruled the raccoons were safe in MNRF Custody!
