# ABOUT CULYPSC

The Columbia Urban League Young Professionals was established to support the mission of the Columbia Urban League, Inc. affiliate. As a volunteer organization, our age range spans from 21 to 40 years of age. Currently, we have over 300 volunteers that help us to reach over 200,000 individuals with our hybrid programs and community service activities.

# ABOUT THE GOLF CLASSIC

The Inaugural Golf Classic was created to increase the CULYPSC support base and financial resource pool so that we can continue to produce service activities and provide resources to the Columbia Urban League, Inc. and Midlands community.
