

Columbia
Urban League Young Professionals

We are excited that you are participating as a player in the Inaugural CULYPSC Golf Classic on Wednesday, May 10, 2023, hosted at The Windermere Club in Blythewood, South Carolina. The goal of the Golf Classic is to increase our support base and financial resource pool so that we can continue to produce service activities and provide resources to the community that we serve. This friendly tournament is a great way to bring community members together for a cause and in a safe manner. During these very difficult times, it is extremely important for us to continue to build and sustain healthy communities.

Established in 2000, the Columbia Urban League Young Professionals was created to support the mission of the Columbia Urban League, Inc. and has been a leader in promoting social justice, equity, equality, and inclusion. In 2021, the Columbia Urban League Young Professionals reached over 200,000 individuals with our digital programming. In addition to reaching those individuals, we provided support to the community through PPE distribution, voter education and registration, financial literacy training, food distribution, and much more! As an auxiliary volunteer organization of the nation's oldest and largest civil rights and direct services organization, we consider you a pillar of the community and ask for your help in our efforts. We appreciate your consideration in joining the effort to empower lives in the Midlands by participating in the Golf Classic.

To confirm your participation, please complete the attached participation form and email it to culyp@culsc.org no later than March 31, 2022, COB so that we have all the information that we need to finalize our planning efforts.

On behalf of the Columbia Urban League Young Professionals, we would like to thank you for supporting this event and we look forward to seeing you on May 10. If you have any questions or concerns, please do not hesitate to reach out at your earliest convenience. Thank you for being a supporter of the Columbia Urban League Young Professionals!

Yours in the Movement,

Ms. Elána R. Frazier
