

Dominica's Flag features a purple sisserou parrot surrounded by lime green stars (for the country's 10 parishes) inside a red disc. The green field represents the island's lush vegetation, and the three lines symbolize:

- ♦ **YELLOW** - first Island inhabitants of the Carib and Arawak people
- ♦ **BLACK** - rich black soil of the island and African heritage
- ♦ **WHITE** - purity of the island's water
