

Hello from Little Smiles Dental!

We are a team of passionate dental practitioners dedicated to providing exceptional dental care to early learning centers across Victoria. We’re excited to announce our upcoming visit to your child's early learning center!

During our visit, we’ll deliver a fun and engaging play-based dental health education session and provide gentle teeth check-ups. We offer **free** teeth exams for all children, plus treatments such as teeth cleaning and fluoride application. Our goal is to keep your child’s smile bright and healthy!

We strive to make dental visits a fun and positive experience for children. By creating a friendly and relaxed environment, we help build trust and get kids excited about their dental care—setting them up for a lifetime of healthy smiles!
