

The Lake Windcrest Ledger

THE LWWGA NEWSLETTER

September, 2024
Volume 3, Issue 8

FROM THE EDITOR'S DESK

Hopefully everyone is enjoying a pleasant Labor Day holiday.

This particular holiday is typically associated with the end of the summer season. However, as we well know, in Texas, we can still expect what much of the country would term "summer" temps. We enter into the final month of the 3rd quarter with a full 3 months of golf time left.

Our WGA calendar calls for the last of our quarterly general meetings to be held on November 7th. However, it may be advisable to re-schedule to an October date in order to get member feedback prior to setting the 2025 calendar in November.

You may wonder why 2025 comes into the conversation when we have 3 months of the regular season left. Planning for our tournaments must be coordinated with MGA and outside events and that occurs in November.

Once the tournament schedule has been established, a committee consisting of your Tournament Chairs and Playday Representatives meet to complete a full calendar of activities for the WGA 2025 season.

As discussed at the club sponsored general meeting in July, we may be moving to Wufoo rather than using SignUp again to register for playdays next year. However, all tournament registrations will be through Wufoo for the remainder of this year and throughout 2025.

You may remember that the By-Laws required revision to address

the procedure for an unexpected vacancy in the office of the President—all other Board vacancies can be filled by appointment (as was recently done when Annemarie Tobin was appointed to fill the vacated Tournament Co-Chair position).

The immediate need which arose in April required that the Board make a decision about filling the role while a By-Laws change was formulated and approved by a vote of the membership. The Board felt the most expedient solution was to ask the Immediate Past-President to assume responsibility for the remainder of the year.

As a result of the By-Laws vote, in the future, a special election will be held within 6 weeks of an announced vacancy insofar as possible.

With the "emergency" term of the President coming to a close at the end of this season, an election is in order. Our usual election cycle is every two years and we are in the middle of our second cycle. The first Board served during the 2022 and 2023 seasons. The second cycle of terms was for the 2024 and 2025 seasons. Therefore, an election for President to complete the term of this cycle, which would be through the 2025 season, will be held this fall.

If you are interested in running for the office of President for this one year term, please let me know of your interest. An announcement of candidates will be made at the final quarterly meeting. An election for the full Board will take place in the fall of 2025.

Our playday representatives,

who graciously volunteer their time, serve on a yearly basis. A willingness to serve more than one year is always welcomed! Current reps please advise of your intent for 2025 by the end of September.

Enjoy the game.

Joni Stoy, Editor

IMPORTANT MESSAGE

**THIS NOTICE IS THE ONLY
INVITATION BEING SENT FOR
SEPTEMBER INTERCLUB**

**AT
BENTWATER COUNTRY CLUB
ON FRIDAY
SEPTEMBER 13TH**

**IF YOU WOULD LIKE TO PLAY,
PLEASE LET JONI KNOW
BY NOON
FRIDAY, SEPTEMBER 7TH**

W 9/25	 GIRLS JUST WANNA HAVE FUN TOURNAMENT
S 9/28	
	EVEN HOLES: TOTAL THE NET SCORES ON ALL EVEN HOLES. LOWEST TOTAL SCORE WINS AND SHARES THE CASH WITH LONGEST PUTT ON #7. SCORECARD PLAYOFF FOR ALL TIES. "GIMMEE" PUTTS PERMITTED.

In August, steps were taken to relax some of the activities of the Lake Windcrest WGA...the major change being opening our Friday play day to more casual golf. Removing the competitive feature of play on that day offered regular players "a breather" from the "game on" mentality. In addition, we hope to encourage those of you who already support the WGA but seldom play with us because you don't think you are "good enough", to come out and enjoy informal golf with other ladies.

Beyond the above, we hope that those of you who receive this newsletter will reach out to any women you may know who are members of the club but not golfing with us and invite them to come out as a Friday guest to "test the waters" where there is no pressure. Friday Fun Golf can be playing a few holes, to 9 holes, to a full round of 18 holes. IT'S ALL ABOUT ENJOYING THE GAME!

AUGUST INTERCLUB

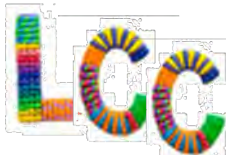

While Mother Nature was a spoiler last month, resulting in the cancellation of Interclub at the Golf Club of Houston, she managed to be put off somewhat at this month's Interclub even though lightening and impending rain forced the players off the Walden on Lake Conroe course prematurely. Nevertheless, participants did manage to complete 14-15 holes of the 18.

In order to determine winners, the Golf Pros were able to compare which completed holes were common to all players in a flight and calculated points on those holes. The usual three places were paid in each flight but team points are not awarded when a full round of 18 holes is not completed.

Thanks to the nine players who represented Lake Windcrest this month and **CONGRATULATIONS TO OUR TRIUMPHANT TRIO...Charmelle Vondrak...1st place in Flight 2, Lynn Rippelmeyer...2nd place in Flight 7 and Mary Armbruster...2nd place in Flight 8.**

See page 1 for early sign up instructions for September Interclub.

LADIES CHALLENGE CUP

As a result of Hurricane Beryl our July match against WCC Traditions was re-scheduled for August 9th. As you can see, WCCT prevailed in both gross and net, although the net loss was only by 3 points.

Our regularly scheduled August match against the WCC has been delayed due to the repair issues with our greens. Captain, Shirley Robertson, is currently finalizing a re-schedule date. Please step up to play when Shirley requests players. It is extremely important that you **respond** one way or another.

Our current point status is shown on the chart below.

MIXED TEAM EVENTS

Several mixed team events have been organized this season and have been very successful. A major change occurred in the concept of the event involving the MGA and WGA.

Instead of the past Mars vs Venus annual contests where the competition was between the sexes, men vs women, this year the event featured teams that consisted of both men and women (tagged as Guys and Dolls). Sixteen of our ladies participated and subsequently sixteen teams of two "guys" and one "doll" were formed.

This change in format was very well received and our ladies overwhelmingly gave rave reviews of

the event. It not only served to develop positive relationships between the members of the two organizations but it was a lot of fun.

A by-product of these kinds of mixed events, is the development of mutual respect for the abilities and contributions of team members on these occasions. Teamwork fosters friendships and this year making friends over defeating foes prevailed.

Two other mixed events involved teaming up with the group of golfing buddies known as the Crawford Group. These fellas typically have followed us

on our Wednesday and Friday playdays. Earlier in the summer, in an effort to get better acquainted with the group who depends on our keeping the pace of play, we had a scramble which was so well received that group organizer Phil Crawford, working with our Sheri Caprio, sought to plan another scramble. Thirteen ladies participated in the August scramble although we only had eight men this time. Another fun time.

The scoreboard for Guys & Dolls is shown below and pictures of all of the winners from both August mixed events are pictured in the scrapbook on page 7.
