THE LWWGA NEWSLETTER

October, 2023

Volume 2, Issue 9

FROM THE PRESIDENT'S DESK

October 1st marks the beginning of the final quarter of not only the fiscal year but our golf year. Actually, our golf playdays end in late November with our culminating golf event and holiday luncheon the first Saturday in December.

Hopefully these final two months of WGA golf will be more comfortable weather-wise. Participation levels have increased just in the last two weeks where the 90's have been considered relief after triple digits for so long.

We were fortunate to have sunshine and cloudless skies for our second annual "Girls Just Wanna Have Fun" tournament last week. While warm, the course was dry and in great condition considering the brutality of the prolonged summer heat. We enjoyed a full field of players and can label our 2nd annual event as a big success. Without the help of our Pro Brett Williams, our

Food & Beverage Manager Brian Lane, our Member relations Liaison Sarah Carpenter, and our chef Kaleb O'Brien, we couldn't have done it! And finally, last but not least, our GM, Troy Muller, set a price which was so attractive to our guests (our field was filled within 2 weeks of the entry forms coming out) that golf with cart, lunch and prizes was by far the best bargain out there and was a major factor in our success! After two successful years, I think we can consider our tournament an established event!

Although this is the October newsletter, there are a number of events down the road in November which should be noted early on to allow for planning, among them the club championship. Many of our members are reluctant to sign up for club championship because they don't feel they are good enough players. While the championship is awarded the best GROSS female golfer, as it should be, there are net winners as well. The two day event is scheduled for Satur-

day and Sunday, November 11 & 12 and is simply regular stroke play. Even if you feel you are an unlikely winner, participation is a means of supporting women's golf at our club...mark your calendar and show your support of the women golfers in our club!

Another event in November will be the distribution of electronic ballots to elect our Board for the next two years. Once again, I invite anyone interested in serving to contact me. As of now, we have candidates for most positions but are seeking a candidate for Secretary,

Enjoy these fall days on the course!

THE 2023 ECLECTIC TOURNAMENT

The above border art is termed "eclectic" art; there is also "eclectic" music and "eclectic" cuisine, etc. So what exactly does eclectic mean and how does it apply to golf?

Eclectic comes from the Greek "*eklektikós*" picking out, selecting what appears to be best and that is exactly what an eclectic tournament allows. Over the two days of play, the player may select the best score on each hole as her tournament score. To keep the conditions consistent, flag placements are exactly the same for the two days. Join the fun and signup as usual.

While all of the regular matches have been completed and our Lake Windcrest ladies brought home the 1st place net trophy, there are two post season Ladies Challenge Cup events.

Most recently, the teams in Division 1 competed against the teams in Division 2. In this competition, all the clubs we played against during the season became our teammates. Our season long team captain Shirley Robertson teamed up with

Charmelle Vondrak to represent us at the match play event held at Memorial Park Golf Course in Houston.

Not only did our Lake Windcrest team contribute 11 pts. toward our Division 1 victory over Division 2, but their total not only equaled the points earned by Woodlands CC (the gross winner in our Division during the season), but bested our opponents from Woodlands CC Traditions with a score of 11 to 7. Congratulations Shirley and Charmelle! The final post season LCC event involves our ladies playing with our pro Brett. Stay tuned for the final chapter in the 2023 LCC story.
