THE LWWGA NEWSLETTER

December, 2023  
Volume 2, Issue 11

## FROM THE PRESIDENT'S DESK

Our 2023 WGA season is now officially over, culminating in a fun day of golf, a wonderful lunch, and the presentation of end of year awards.

A brief business meeting was called to address the need to change the By-Laws in accordance with club policy (as noted in the email you all received in advance of the meeting). The change, which was approved unanimously, was simply a technical requirement to put the change formally in the record.

The results of the WGA election were also announced and I am pleased to report that your new Board Members are as follows:

President  
Deb Yarbrough

## Vice-President/Membership

Sheri Caprio

## Secretary

Mary Armbruster

## Treasurer

Kathleen Sullins

## Tournament Co-Chairs

Sue Ball

Chris Hofmann

Thanks to all for stepping up to serve. I will remain on the Board as the Immediate Past President. Special thanks too to the ladies who have volunteered to handle playday sign-ups: Wednesdays— Charmelle Vondrak, Fridays— Marcia Wilkins and Saturdays— Cindy Bailey.

And finally, I would like to wish you all a **Very Merry Christmas and a healthy & Happy New Year!**

Joni Stoy, Editor

This is the final issue of the WGA Ledger for the 2023 season. We'll be back the first week in February.

## Ladies Club Championship 2023 Champion... Jina Auger

While the number of players was few, the four who did play represented the "crème de la crème" of our organization—translation...the best of the best". The event personified the philosophy of our WGA—competitive but always friendly competition.

The ladies endured less than perfect conditions on the first day of the tournament. In addition to being limited to cart path only, course conditions were wet and muddy and temperatures a bit chilly. Better conditions prevailed on the second day.

The club championship is awarded to the player with the best gross score for the tournament. Congratulations to Jina Auger whose two day total was 169!

## The Grand Finale

### What a grand way to end our Ladies Challenge Cup Season!

Our two LW teams that competed in the LCC ProAm Tournament at Bentwater earlier this month did us proud indeed! Both teams placed and actually had to have a scorecard playoff to settle a tie for low net honors. The team consisting of Pro Brett Williams, Jina Auger, Shirley Robertson, Donna Moore and Charmelle Vondrak edged out our team of Pro Bill Wening, Marion Nojek, Cindy Bailey, Deb Yarbrough and Sheri Caprio taking 2nd place low net with the latter coming in 3rd low net. What an amazing outcome for our club to have won two top places in a tournament including 18 teams.

Back L to R: Brett Williams, Cindy Bailey, Donna Moore, Shirley Robertson, Bill Wening Front L to R: Sheri Caprio, Charmelle Vondrak, Jina Auger, Marion Nojek, Deb Yarbrough

## Upcoming EVENTS

### THE FRONT TEE FIASCO

THE LW MGA has invited members of the WGA to participate in this annual event. Women compete in their own division. While the men play from the forward tees, the ladies play forward of the green tees and both are challenged by the hole placements on every hole.

# RESULTS OF THE TOURNAMENT !

## THE ECLECTIC

The re-scheduled Eclectic tournament went off without a hitch and our players enjoyed two days of pleasant weather. True to the definition of an eclectic golf event, everyone had a "second chance" on day 2 to improve the score on each hole from day 1. As you can see from the results below, being allowed to take the better of two scores benefited every player. The scoreboard shows that scores were very close and even required a scorecard play-off to settle net winners.

Congratulations to : 1st place gross winner Jina Auger, 1st place net winner Kathleen Sullins, 2nd place net winner Mary Armbruster and 3rd place net winner Shirley Robertson. Closest to the pin winnings went to Jina and Kathleen.

As we look ahead to 2024, there will be something new for some of our more "reluctant" golfers. Introducing a new 9 hole playday planned for Tuesday afternoons and designed especially for those WGA members who feel they lack the skill to play on the 18 hole playdays. Don't be shy! Come on out on a Tuesday afternoon for nine and "test the water"—we think you'll find it is just fine. Details will be available in February.

And while we are reviewing some of "what's next", you recently received the WGA's 2024 tournament schedule (included below). You will find there is an MGA sponsored Guys & Dolls Event that is replacing the Mars vs Venus event of previous years (which by the way, had a very mixed review in the WGA's recent survey). Instead of competing against the men, the format calls for mixed teams of men and women which will hopefully be a welcome change. So, enter the dates below in your 2024 planner and watch for specific sign-up info for each tournament from our Tournament Chairs Sue Ball and Chris Hofmann as each date approaches.

After regularly including a column in the newsletter focusing on rules, it seems fitting (and fun) now at season's end to have a "final exam". How well can you do on the following quiz of basic rules? Don't peek at the answers before answering the questions.

1. Your ball has come to rest on the putting green. Before you mark it, the ball starts rolling and moves closer to the hole. Where do you play your next stroke from—the new location or old location?
2. You mistakenly hit a shot with the wrong club in a match against your buddy. You realize it before hitting a second shot, and the hole has yet to be completed. Do you lose the hole? Or can you correct the error, take a penalty, and still have a chance to win it?
3. As you address your ball on the tee, you accidentally bump it and it falls off the tee. Can you re-tee without penalty or did that cost you a stroke?
4. There's a sprinkler head between your ball and the green about five yards away on your line of play. You were thinking about putting, but the head would be in the way. Can you take free relief since you're dealing with an immovable obstruction?
5. True or false—You can remove a stone that is behind your ball in a bunker before hitting a shot without penalty?
6. Your ball is playable in a penalty area, but you're not sure how the vegetation will affect your swing. Can you stand in the penalty area, several yards from your ball, and make "test swings" through the vegetation to get a feel for the shot?
7. Your opponent in a match hits an approach shot that appears to be blown off course by the wind. Can you ask your opponent what direction the wind was coming from?
8. Facing an unnerving situation around the green, you accidentally hit your ball twice with the same abrupt swing. Does this count as one stroke or two?
9. Your ball is in bounds, but barely, and you can't hit it unless you stand out of bounds on the other side of a fence that borders the course. Can you do that?
10. You mark your ball on the putting green, replace it, then a gust of wind moves it closer to the hole. Where do you play your next stroke from—the new location or the old location?

1. If you have not marked and replaced your ball on the green and it moves, play it from its new location. Rule 13.1d
2. You lose the hole. In stroke play, you would take a two-stroke penalty and go back to correct your mistake. Rule 6.3c
3. No penalty. You can re-tee so long as you weren't making a stroke. You also can replace the ball (if you now feel it has bad mojo). Rule 6.2(5)
4. No relief without penalty. Your course can enact a local rule to allow for relief if your ball is in a closely mown area and a sprinkler, no more than two clublengths from the green and two clublengths from the ball, is on the line of play and you intended to putt. Otherwise, you better grab a chipping club. Rule 16.1/Model Local Rule F-5
5. True. If your ball should move as a result of removing the stone, it's a one-stroke penalty and you have to replace your ball. Rule 12.2a
6. So long as you don't improve the condition for your next stroke, you can hack away, even grounding your club. Rule 17/Rule 8.1a
7. Yes, you can ask about wind direction, distances to objects, even locations of things on the course. Advice: Definitions.
8. It's one stroke. Lucky you, this rule was changed in 2019. It used to be that it counted as a stroke, plus an additional one-stroke penalty. Rule 10.1a
9. You sure can. If it was a chain-link fence, you can even hit the fence instead of the ball to get out of trouble. Rule 18.2a
10. If you were paying attention to question No. 1, you'd know that once you mark your ball on a putting green and it moves, you have to replace it. Rule 13.1d

TO BE JOLLY... AND WE WERE!

Our own cooking elf, Kaleb, prepared a fantastic, made from scratch, Chicken Cordon Bleu for our special end of season luncheon! The French term cordon bleu is translated as "blue ribbon" and this entrée definitely earned one!
