THE LWWGA NEWSLETTER

July, 2024
Volume 3, Issue 6

FROM THE EDITOR'S DESK

Although the summer solstice arrived June 20th, our Texas summer has been in full force for the last two months.

When temperatures consistently climb into the 90's and even creep upward toward 100°, all of us who love the game must be cognizant of the dangers of heat exhaustion and heat stroke. Our club has posted pertinent infor-

mation about the symptoms of these heat related conditions in the pro shop and in the locker rooms. Acquaint yourself with this information not only for your own protection, but so you might recognize a problem should a fellow golfer begin to show symptoms.

Keeping hydrated is of paramount importance.

June was a very busy month for our WGA with numerous competitions both home and away— all results are included in

this issue. July is a little less busy, but our weekly games will continue as usual with a 9 am shotgun.

As was announced in a general email, all of the proposed changes in the By-Laws & Standing Rules were approved. Among those changes was allowing "gimmee" putts during July and August on playdays where games are neither Low Net nor Stableford, but have a closest to the pin proximity. Keep in mind, the putt must be within the length of a playday scorecard.

Finally, we welcome Annemarie Tobin to the WGA Board as an appointed replacement for departing Tournament Co-Chair Sue Ball. Annemarie has graciously volunteered to maintain all the statistics for playdays. Therefore, all reps are asked to report playday results to her in the future.

Wishing you all a safe and Happy 4th of July!

UPCOMING EVENTS

GUYS & GALS

Join the fun in August when the guys and gals of the MGA & WGA join forces on the golf course. Teams of men and women will compete for prizes. Currently in the planning stages ...could be teams of two, three or four with at least one lady on each team. Could be a shamble, two best balls, quota...lots of team games to consider.

Ladies Challenge Cup

Our most recent match was at home versus Kingwood. Although we were missing a couple of our regular players, those who don't play as often stepped up and did a "yeoman's job".

Kingwood sent their top tier players and are always considered one of the most formidable opponents in LCC. The scoreboard to the right shows our win in the net category which is the area of competition where we can be most competitive. Kingwood earned 52.5 points compared to our 37.5 in gross, but we proudly posted 47.5 points over Kingwood's 42.5 for the net win.

With the elimination of divisions in LCC this year, the competitive landscape is much different...all nine clubs will play each other. The chart below shows our current standing. Our next match is scheduled for Friday, July 19th at WCC Traditions. GOOD LUCK TEAM!

Just last week Lake Windcrest hosted Northwoods Interclub. All eleven clubs were represented totaling 87 players.

Preparations for a tournament of this size are extensive and without the help of the Pro Shop staff and the Food & Beverage folks, it wouldn't have been possible.

Brett did a great job determining the pairings/flights and he and Micah prepared 19 different scoreboards...8 for the flights and another 11 for determining the top four performers from each club. Checking the accuracy of 87 cards and posting the results on these 19 scoreboards was, indeed, a major undertaking. **THANKS TO BRETT & MICAH!**

Accommodating 87 guests for lunch also required special planning. Food & Beverage Manager Brian and our chef Angela handled the numbers efficiently and there was plenty of chicken on the salad bar for those coming in late which has not always been the case at other Interclub events. **THANKS TO BRIAN & ANGELA.**

When 87 players arrive to check in for an event, and especially when money changes hands, you need to have an efficient system. Special **THANKS TO DONNA MOORE & SHERI CAPRIO** for their assist at the registration table and to **PJ MULLARKEY AND PATTI HOWARD** who distributed the cart snacks!

And finally, how did our team fare in the competition?? As you can see in the, adjacent table, our top 4 players took honors among the eleven clubs for most points this month with 152. Our stars this month — **CONGRATULATIONS TO CHARMELE VONDRAK , PATTI HOWARD & PJ MULLARKEY FOR 1ST places** in their respective flights **DONNA MOORE for 2ND place** in her flight and **SHERI CAPRIO for 3RD place** in her flight.

Lots of positive feedback about our lovely course. On to Golf Club of Houston on July 25TH. Watch for the sign up announcement.

Our WGA ladies had a great opportunity to make new golf friends when our WGA Vice-President Sheri Caprio organized a fun event with the group of men whose tee times follow ours on our weekday playdays.

The 12 members of the group organized by Phil Crawford (aka "The Crawford Group") joined 12 of our ladies forming mixed teams of two for a scramble. Winners who placed and carried off the cash prizes are shown in the adjacent scoreboard. The ladies from the WGA who placed 1st, 2nd and 3rd respectively with their partners were Chey O'Rourke, Christine Hofmann, and Kathleen Sullins. The event was so successful that a second event is tentatively scheduled for August.

We had a dry, sunny and very warm day for our Member/Member annual tournament on June 22nd. Not only did we have good conditions for play, but we had a great level of participation, fielding 18 players for the event. Since we had an uneven number of foursomes, tournament rules require that the remaining twosome be accompanied by a marker. Thanks to Karen Christian for filling this role and to Janice Knott for clicking away on her camera for the scrapbook pix.

All seemed to enjoy the lunch and their teapot surprises. The results of the tournament are shown on the adjacent scoreboard and the memorable moments from the MEMBER/MEMBER can be found on the scrapbook pages.
