THE LWGGA NEWSLETTER

December, 2022

Volume 1, Issue 11

FROM THE PRESIDENT'S DESK

Everyone was in the holiday spirit as we gathered on Saturday, December 3rd to play some fun golf and recognize golf achievements of the 2022 season. Kudos to Tournament Co-chairs Patty Moncrief and Marion Nojek for planning a lovely end of year celebration.

Having a quorum present allowed us to squeeze in a quick vote amending our Standing Rules to correct an omission in the language about eagles and holes-in-one. The approved change specifies that eagles and holes-in-one are valid for WGA recognition only when they occur at Lake Windcrest on a playday. Keep in mind, however, members who have agreed to being part of the "hole-in-one" option through the club should apprise themselves of that criteria which is different.

While our official 2022 season ended on Saturday, Deb Yarbrough and Cindy Bailey have volunteered to organize informal golf during our off-season. The signup site has been expanded through the end of January and can be used to sign up for these informal golf gatherings. Thanks Deb

and Cindy for taking on these interim golf responsibilities!

You may wonder—If these off-season games are unofficial, how do we handle scores during this time? It's important for players to make sure that all regular rounds of golf (meaning anytime a player plays her own ball from tee through the green) be posted at ghin. Remember if you complete at least 7 holes, you should post a 9 hole score. Similarly, if you have played 14 holes, you should post an 18 hole score. What to do about those holes that were not played? Apply the following rule...on any hole not played, take par plus two strokes for your score.

Our end of season event not only featured a fun golf event (results on page 3), but was primarily organized to recognize certain achievements during the season. Following are the names of those recognized for a season-long achievement.

A GREAT BUNCH OF FOLKS CAME OUT FOR THE BYOB FINALE

Ten couples came out on the afternoon of Sunday, November 20, to play a Best Ball format. The WGA's **BRING YOUR OWN BEAU** events have generally been well received, with the highest level of participation at this final gathering. We hope to continue with the activity next season, alternating with the club's couples events. The following couples were the winners of the best ball event.

2nd Place Gross	Sharon & Ernie Phillips	Score: 40

FiASCO!

This traditional MGA/WGA event officially becomes part of Lake Windcrest's fun competitions! The unique format is what makes this event not only great fun, but very challenging! Although men and women both compete, the ladies have their own flight and compete among themselves. What makes this tournament unique...the men play from the forward tees and the women play from tees well forward of the green tees. In addition, both will be faced with the most challenging pin placements on the greens.

When: Saturday, December 17, 2022

What time: 9:15 am shotgun

Format: Two person scramble

(Need a partner...let us know and we'll try to find you one)

Let's have a good turnout from the WGA!

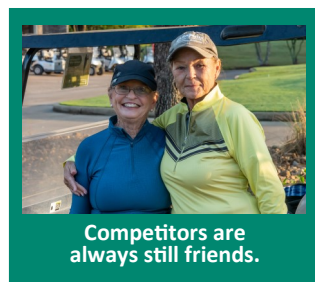

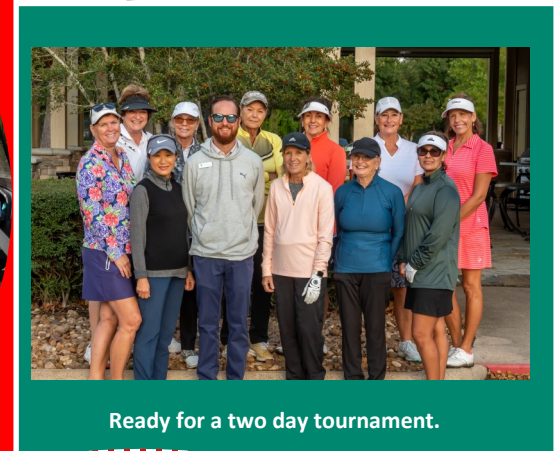

LOOKING AHEAD TO THE 2023 SEASON

As noted in the President's column on page 1, Deb Yarbrough (Wednesdays & Fridays) and Cindy Bailey (Saturdays) will handle informal golf through the end of January 2023. You may sign up on the SignUp.com website as usual. Our official WGA season with games will begin in February. All details of the season will be included in the **next issue of the newsletter which will not be out until February 1, 2023.** Your ghin must be active in order to compete in WGA activities; it will be automatically renewed by the club and you will be billed sometime in January or February. However, if your ghin service was carried through another club last year where you are no longer active, be sure you have it renewed by Lake Windcrest. You can expect more fun and friendship as the LW WGA enters its second year!

THE ECLECTIC

THE LADIES CLUB CHAMPIONSHIP

Clear skies but chilly temperatures set the stage for a small but motivated field of players for the club championship. After two days of play, the championship was decided by a single stroke. Our club champion, Donna Moore, (pictured in the middle of the center photo) posted an impressive two day gross total of 166 (consistently scoring an 83 each day). Shirley Robertson (left of Donna) placed 1st in net with a two day net score of 149. Jina Auger, right of Donna, although coming in behind in gross by one stroke, nevertheless, placed 2nd in net with a two day net total of 151.

GREAT PLAYING LADIES...CONGRATULATIONS TO ALL!
