EARN AND LEARN: HANDS-ON TRAINING THAT MOVES YOU FROM LEARNING TO DOING

Participants receive online training plus a minimum of 10 live, hands-on walkthrough sessions. These are not ordinary lectures - they are practical, coach-guided “how-to” sessions where participants are walked through the actual process and may get paid while learning when program requirements are met. Your coach is there to help make sure every step goes as planned, so you can build skills, confidence, and income simultaneously.

MAJOR GRANT FUNDING MAY BE AVAILABLE

- A major grant initiative may fund new and existing businesses in your state.
- New businesses are funded only while funds last - first come, first served.
- Potential funding range: \$200,000 to \$5,000,000 for qualified businesses.
- Start before available funds run out.
- Eligibility, approvals, and award amounts vary by program and state.

SPECIALIST SUPPORT + REQUIREMENTS

- Business specialists help each owner launch, organize, and pursue success.
- 730 minimum FICO score.
- Fluent in English.
- Computer or tablet required.
- Able to work at least 10 hours per week.
- Serious, coachable, action-oriented applicants only.

THIS IS A MONUMENTAL OPPORTUNITY. ACT NOW BEFORE FUNDS RUN OUT.

Build your business. Serve your community. Create economic empowerment. Ask about enrollment, qualification, training dates, grants, and 100% financing options.

If this is not for you, share this with someone who wants to start a business and meets the requirements listed above.
