

I am pleased to invite you and your company to team up with us to make a difference. Abdallah Shriners are in the process of planning our next charity golf event scheduled for Monday, June 6, 2022. We raised \$24,000 at our last event with the help of our sponsors and volunteers and look forward to another successful fundraiser.

We are proud to say 100% of our event proceeds benefit Shriners Children's (formerly Shriners Hospitals for Children) and provide an excellent opportunity to associate your brand with a world-renowned charity. This international pediatric health care system has 22 locations in North America, and national and international outreach programs. Shriners provide the gift of hope and giving to their kids.

Advertising with Shriners helps support a great organization as well as connecting your company to our loyal customer base. Various sponsorships are available at every price point. We are grateful for any support from donations to advertising sales. If you would like to sit down and have a discussion about sponsorship options, please contact me directly at 913 787-7308. You may also respond to this email.

Please see our website, AbdallahGolf.com for more information. And be sure to check out ShrinersChildrens.org to learn more about how Shriners Children's help kids!

Thanks in advance for your support!

Kevin Larson
Event Chairman
