

# PRO XD

## PLUG INTO NEW POSSIBILITIES

Introducing the all-new, all-electric Pro XD Full-Size Kinetic. A first-of-its-kind work UTV that boasts unmatched performance no matter how you work.

### SURPRISING YOU AT EVERY TURN

#### RANGE

With an up to 45-mile range\*, you can rest assured that you'll cover plenty of ground on even the largest job sites.

#### GOING GREEN

Take on growing sustainability to meet new requirements with our all-electric Pro XD Kinetic.

#### SAVINGS

Operation and maintenance costs for the Pro XD Kinetic are estimated to be 60% less than the average costs for similar gas-powered vehicles. In fact, fuel savings alone are estimated to be \$2,800 over 5 years.

#### BATTERY

At the heart and soul of Pro XD Kinetic, our batteries are designed to last the life of the vehicle.

#### SERVICE & MAINTENANCE

You have enough to worry about. So make oil changes, filter replacements, spark plugs, and clutch maintenance a thing of the past.

#### NO NEW INFRASTRUCTURE

110V standard charging means no new infrastructure is needed, and 220V options mean you can take fast charging to the next level if you want to.

UP TO  
**45** MILE  
RANGE\*

**140** LB-FT OF  
TORQUE

UP TO  
**1250** LBS. CARGO  
HAULING

UP TO  
**2500** LBS. MAX  
TOWING

**0** TRADITIONAL  
FUEL COSTS

\*Range estimates based on manufacturer data on typical customer driving usage and conditions. Actual range varies based on conditions such as external environment, weather, speed, cargo loads, rates of acceleration, vehicle maintenance and vehicle usage.

# EVERYTHING YOU EXPECT, PLUS MORE

## DURABILITY

- With heavy-duty boots, bearings, bushings, seats, tires and poly bed, Pro XD Kinetic is tough from the headlights to the tailgate.
- Pro XD Kinetic is just as tough on the inside as it is on the outside with rugged batteries and AC motor.
- Think electric vehicles lack power? Think again. Pro XD Kinetic boasts 1,250 lbs cargo hauling and 2,500 lbs max towing.

## SERVICEABILITY

- With fewer moving parts, plus batteries that last the life of the vehicle, your service worries are almost less than our emissions (which are zero.)
- Less serviceability and more uptime with 1,000 mile maintenance intervals.

## SAFETY FEATURES

- Superior safety features are our standard. That's why all Pro XD Kinetic vehicles come with horns, backup alarms, plus high-visibility decals and safety belts.
- Keep speeds under control on your job sites with 5–40mph adjustable speed limiting and commercial calibration. Manage acceleration without sacrificing torque.
- Our electric drivetrain gives reduced sound levels that improve the operator's situational awareness and enable quiet-zone usage—because not every ride needs to roar.

## SUSTAINABILITY

- Give the work day 100% with 0 emissions and 0 traditional fuel costs.
- Reduced waste with fewer disposable service and replacement parts.
