

ABOUT US

At Perceived Paranormal, we believe those who have passed deserve the same dignity and respect they carried in life. Guided by our philosophy — Humanizing The Grave: Because Dignity Doesn't End At Death — we approach every investigation with professionalism, integrity, and compassion.

We don't sensationalize experiences, We're here to help individuals find clarity, feel heard, and better understand the unexplained through thoughtful investigation and credible guidance.

At Perceived Paranormal, the story doesn't end at the grave, because PPEC simply knows how to listen.

INVESTIGATIONS

Residential Investigations

No Fee

Compassionate and confidential paranormal investigations for homes and private properties. Our team works to document unexplained activity while providing support, education, and peace of mind throughout the process.

Commercial Investigations

No fee

Professional investigations for businesses, storefronts, offices, and commercial properties experiencing unexplained phenomena. We approach every case with discretion and respect for your staff, clients, and operations.

EVENTS

Public Investigation Events

Interactive paranormal investigation experiences hosted at public locations and historical venues. Guests have the opportunity to learn investigative techniques and participate in real-time exploration.

Public & Private Events

Available for conventions, community gatherings, private experiences, collaborations, and specialty events designed to educate, connect, and create memorable paranormal experiences.

Presentations & Speaking Engagements

Engaging presentations on paranormal investigation, history, spiritual practices, investigative methods, and related topics for community groups, events, and organizations.

PARTNERSHIPS/FUNDRAISING

Long-Term Partnerships & Collaborative Projects

We offer ongoing collaborative partnerships for historical sites, museums, nonprofits, historical societies, businesses, and creators seeking continued investigative support, research, content creation, or event collaboration. These partnerships are designed to build meaningful, long-term relationships that extend beyond a single investigation or event.

Services may include recurring investigations, historical research support, educational programming, content creation, public events, livestreams, and seasonal or special event planning tailored to each partner's goals.

For nonprofits, museums, and historical societies, these collaborations can also increase visibility, community engagement, and create unique fundraising opportunities that help support preservation and outreach efforts.

*FEES ARE DETERMINED BASED ON CONSULTATION AND SCOPE OF SERVICES.
