POWERED BY ZOCCAM®

EARNEST MONEY · SENT IN SECONDS

Send your earnest money *directly* — from any device.

ZOCCAM moves your deposit straight from you to the title company's escrow account — no bank info exchanged, no wire instructions, no app to download.

HOW IT WORKS

Six steps · About 90 seconds

1 **Tap the Start Here button**
Or visit send.zoccam.com on any phone, tablet, or computer. No app to download.

START HERE →

2 **Register or log in**
New users register with name, email, and mobile. Returning users log in.

3 **Select your title company branch**
Choose the branch handling your closing.

4 **Enter property details**
Tap “Autofill” for the role that matches you — buyer or agent.

5 **Pay with a paper check**
Have your earnest money paper check ready.

6 **Take a photo of your check**
Photograph the front and back of your paper check. You’ll receive instant verification and an email confirmation.

WHY ZOCCAM

Direct to escrow.
Funds go straight from you to the title company's account.

No bank info exchanged.
Eliminates the #1 attack vector for wire fraud.

Instant confirmation.
Buyer, agent, and title see the same status in real time.
