VEHICLE SURVEY:

List and indicate miles per gallon (mpg) up to three vehicles.

Use this [Government Combined MPG](#) website.

Year, _____ Make, _____ Model _____ MPG _____

Year, _____ Make, _____ Model _____ MPG _____

Year, _____ Make, _____ Model _____ MPG _____

ADD TOTAL MPG _____

AVERAGE MPG, DIVIDE BY NUMBER OF VEHICLES = _____

THIS IS A SNAPSHOT PHOTO OF YOUR CARS' AVERAGE MPG. EACH VEHICLE HAS ITS OWN SCORE AND GRADE.

HOW MANY MILES YOU DRIVE EACH VEHICLE IS IMPORTANT. SEE NEXT PAGE FOR YOUR SCORES AND GRADES.

YOUR RESULTS:

SUCCESSFUL AND SUSTAINABLE VS. OIL SLIMEBALL / VILLAIN

Write down the number of vehicles per point category in left margin.

- ___ Vehicle obtains LESS than 20 mpg of gasoline/diesel = **GRADE F** -2 Points (minus)
- ___ Vehicle obtains LESS than 35 mpg of gasoline/diesel = **GRADE D** -1 Point (minus)
- ___ Vehicle obtains 35 mpg or more of gasoline/diesel = **GRADE C** +1 Point
- ___ Vehicle obtains 45 mpg or more of gasoline/diesel = **GRADE B -** +2 Points
- ___ Vehicle obtains 60 or more mpg of gasoline/diesel = **GRADE B** +3 Points
- ___ Vehicle obtains 75 mpg or more of gasoline/diesel = **GRADE B +** +4 Points
- ___ Drive plug-in hybrid vehicle = **GRADE A -** +6 Points
- ___ Use mass transit that relies on oil = **GRADE A -** +6 Points
- ___ Vehicle is all-electric or alternative fuel cell = **GRADE A +** +7 Points
(If your electricity is primarily generated by coal, then your carbon footprint won't be as substantial. Local power plant must significantly decrease or eliminate coal consumption.)
- ___ Use alternative fuel mass transit (trains, busses)/carpool for work = **GRADE A +** +8 Points
- ___ Walk; bicycle; skateboard/scooter to work/school = **GRADE A +** +9 Points
- ___ YOU DON'T OWN A VEHICLE = **GRADE A +** +9 Points
