

MARKEDU TRAINING INSTITUTE

CONTENT PRODUCER - INTERN WORK FROM ANYWHERE

Opportunity to learn on the job.

**WRITE - CREATE VIDEOS - EXECUTE
CAMPAIGNS - INTERVIEW EXPERTS**

This opportunity allows you to work from home with a rare
chance to work in a Culture of Experimentation

LEARN, CREATE AND APPLY ALL ASPECTS OF CONTENT PRODUCTION

WRITE. CREATE. LEARN. APPLY.

This learn while on the job includes

- video production
- creating blog posts and articles
- interviewing subject matter experts

You must have a good command of written and spoken English, a strong interest in marketing and a can-do attitude.

The bulk of your tasks will evolve around all aspects of content production, but you'll also be able to try your hand at social media, campaign planning and execution as well as website copywriting

Based on our core objectives, we'll allow you to experiment a lot. If you are keen on getting in front of the camera, that's possible too.

We'll teach you what we know and expect you to be a highly motivated individual capable of staying motivated while working from home.
