

COMPANY PROFILE

About Us

Global Visa Partners is a reputable and dedicated visa and migration consultancy firm that helps individuals, couples, and families achieve their dreams of living with their loved ones, studying abroad, traveling internationally, or pursuing career opportunities overseas.

Founded in 2024, Global Visa Partners was formerly known as Come Study Australia, which had been operating since 2013. With over a decade of industry experience and a strong client-first approach, we have helped countless individuals confidently navigate the complex world of immigration.

Our commitment to professional service and client satisfaction has led to successful migration journeys across Australia, the Pacific, and beyond.
