

IMPERIAL AMBASSADOR TITLE REQUIREMENTS

Miss Imperial Ambassador

The Miss Imperial Ambassador title is what other pageants call their supreme titles. Every year, we choose specific competitions from our pageant and recognize the contestant that has the highest overall score in that one particular competition.

For 2024, the Imperial Ambassador title will be given to the contestant who has the overall highest score in the pageant in the following:

- Imperial Horsemanship* Ambassador
- Imperial Speech Ambassador
- Talent Ambassador
- Interview Ambassador

Any contestant who is competing in two or more titles that include the following competitions above will be automatically entered into our Imperial Ambassador* competition.

Judging for each title will be based on the contestant's scores for these correlating competitions. For example: If a contestant competes for 3 titles that have an interview competition, then all three of those scores will be added together to the Imperial Ambassador title. The 4 contestants that have the highest scores in these 4 competitions will win one of these these 4 titles.

*Note: Contestants interested in only competing for the Western Ambassador title are still eligible to win the Imperial Horsemanship title without having to compete for an additional title.
