

# MAJESTIC AMBASSADOR TITLE REQUIREMENTS

The Majestic Ambassador title is what is known as our Hi-Point title.

Depending upon the number of contestants, the Majestic Ambassador title can be given to one person with the highest overall score or may be given to 4 contestants depending on age: 0-3, 4-7, 8-12, and 13 and up.

Any contestant that competes for 3 or more titles will automatically be entered into the Majestic Ambassador competition. Qualifying titles are American Ambassador, Western Ambassador, All-American Ambassador, Multicultural Ambassador, Earth Ambassador, Entertainer Ambassador, Model Ambassador, Professional Ambassador and Humanitarian Ambassador.

The judging for Majestic Ambassador will be based on the contestant's overall scores for each title they compete for. Their top 3 scores will be added together and the highest score for each age division will win the title. If a contestant competes in more than 3 titles, scores will be pulled from the contestant's highest scoring title
