

## Royal Ambassador

The Royal Ambassador title is a way for the American Ambassador pageant system to recognize our amazing royalty.

The Royal Ambassador title will be given to all contestants that have held 5 titles in one age division.

This will allow our royalty to continue their community service work and appearances with The American Ambassador pageant until they are able to compete in a new age division.

Criteria for the Royal Ambassador title is that the queen or king has held 5 titles in the same age division, represented their titles with enthusiasm, and fulfilled their contract obligations for each title.
