

Let It Grow Giving, Inc.

September 21st, 2023

Friends,

With deep regret we must postpone our 23rd Benefit Concert due to the inclement weather coming Saturday 9/23.

We have incredible gratitude to Particle Theory, Reflections, Wig Jam, all the Let It Grow employees, our friends and all the lovely Dead Heads that have supported the Benefit for the past 22 years.

We would also like to thank so many generous supporters that have kicked off our fundraising. We will be supporting our beneficiaries Autism CAN, Hope For The Warriors, and Tracers, Bergen County Division of Veterans Services.

We will be looking to reconvene with our tribute to Jerry and The Grateful Dead on September 7th, 2024. Please keep an eye out for our posts on Instagram, Facebook, and our website.

Thank you with gratitude,

Paul T. Imbarrato
