

Meet The Band

Perfect Timing formed over 12 years ago when Paula, Tina and Joe, all members of their church's Praise Band, decided to expand their musical journey and form a project that would play popular music.

Joe had been in Crsstown Traffic and MESA with John and Donny for years. In fact they have played together for over 50+ years. They were asked to join and later, Donny's son Brett was added. Now we play over 50 shows every year and would love to Perform for you!
