

Business Spotlight Information

There are so many extraordinary and unique businesses that truly make San Benito a stand-out city. Explore San Benito wants to showcase them for FREE on social media so the community can discover the variety of businesses, products, and services available in San Benito.

What is the San Benito Business Spotlight?

After studying neighboring communities we've realized that highlighting local businesses located in the San Benito is important to educate the citizens of San Benito about what they have right in the backyard. This would be part of the Explore San Benito Campaign that the San Benito EDC is now pushing for.

The San Benito Spotlight Campaign will allow local business owners to submit their story/history of their business and tell us what services and goods they offer to the public. From this information submitted we are able to select multiple business a month to feature on our website, social media, and more.
