Venturing Crew Officers Orientation

Crew Officers Orientation (New)

Crew Officers Orientation is back up and running with a conversion from flash. This version will allow Crews to offer the same training to Crew Officers while Scouting U works on a full revision of the course.

This course is designed for Venturing youth that hold elected officer positions within their Crew. It can also be used by adult leaders to review the duties of these officers. This training helps youth officers to better understand their roles and responsibilities, helps them to develop an annual plan of activities, as well as acquiring leadership and team-building skills
