

Hello!

My name is **Zalee Harris**. I am a newly licensed reseller and **DIAMOND** member of the **Impact Mailing Club**.

If you can stuff an envelope and stick a stamp on it, not only will what I am presenting you will work for you, but depending on the level of effort you put into it, you could receive between \$65 and \$1000 often.

This **Impact Mailing Club (IMC)** started in April of 2019. The person that introduced me to this IMC joined in September and already, 15 people that she did not know has sent her anywhere between \$65 and \$300 cash by priority mail or via one of many legitimate and safe Smart Cell Phone CASH APPs. I joined IMC on November 5th. In two days, I received the official IMC Welcome Package. In four days, I received a bundle of fresh peel off mailing labels for 400 people living somewhere in the USA. I printed my Letter and Enrollment Form. I purchased envelopes and stamps. I started stuffing and mailing. I also emailed my IMC PKG.
