A Message from the President Eastview Wrestling Boosters

Dear Eastview Wrestling Family, Friends and Fans

Angela and I would like to welcome you to the 2016-2017 Eastview Wrestling Booster Club and 20th anniversary of Eastview Wrestling. As a club we have been active in the Eastview community and are committed to promoting the sport of wrestling. The goal of the club is to help assist a positive and rewarding experience for our wrestlers and families.

As a booster club we meet monthly and all parents are invited and encourage to attend. Parent involvement is a key component to helping us meet the goals as a club and the goals of our wrestlers. Feel free to email cabalindstrom@aol.com or call 612-750-6076 with any question regarding the booster club or ways to get involved.

We would like to take this opportunity to thank all Eastview wrestlers, parents, families, alumni and supporters for investing their time and talents in making Eastview Wrestling something we can all be proud of and call our own. The EWB, various committees and leadership is what will make our wrestling club successful now and into the future.

A big thank you to the coaches for all the time and extra efforts they invest in our student athletes, not only on the mat but in the classroom as well. Their dedication to education and coaching will help these athletes learn lifelong skills.

The motto chosen this year "I am Aggressive and Relentless" is the perfect motto for the program, on the mat and in life because the way to succeed is to work hard and never give up! Best of luck to our wrestlers, coaches and families as they work hard to achieve all their goals in 2016-2017 season.

Go Lightning! #NOGIFTS

WELCOME TO EASTVIEW WRESTLING 2016-2017

I Am
Aggressive & Relentless
2016-2017 Eastview Wrestling

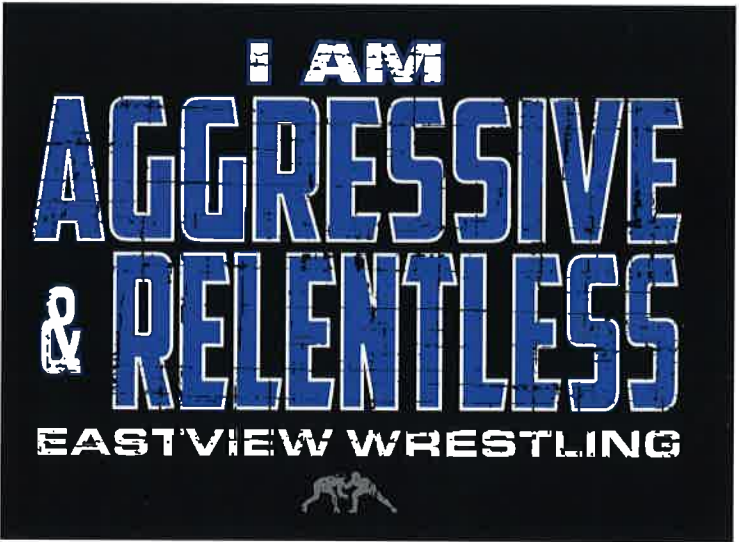

This year's season motto is AGGRESSIVE & RELENTLESS!
The best wrestlers are aggressive...

"I am sorry if they perceive me as an element that's dangerous. I'm only interested in winning, pinning & scoring points." — Mark Schultz, Olympic Gold Medalist

"A true competitor remains aggressive throughout the entire duration of the match. Regardless of whether you win or lose, you have to be aggressive. Wrestling demands that you attack your opponent at all times. I have always had a reputation for being aggressive. That is the backbone of my philosophy. You've got to attack! If it doesn't work, use it to set up another move. The more moves that you attempt will increase your chance of scoring." — Dan Gable, Olympic Gold Medalist

Eastview wrestling is shifting our mindset from winning to being aggressive and relentless! When being aggressive and giving a full effort becomes more important than winning, we will start winning a whole lot more.

Almost anyone will wrestle aggressively if they KNOW they are going to win. It takes courage to wrestle with the same intensity, aggressiveness and relentlessness against someone at or above your level. Courage isn't measured by invincibility. Superman can't be considered courageous because he can't lose. The uncertainty and the risk (of losing, looking bad, getting beat up, embarrassed, etc.) is what makes us courageous. Don't

be a bully who wrestles like a tough guy against weak competition but folds or freezes against better competition. Train your mind to be a warrior. Go after everyone relentlessly and aggressively. Be willing to put it on the line, look bad or lose. But do not compromise your relentless attitude regardless of your opponent.

Join us as we work to **TakeDown Cancer!**

Commitment To Excellence

How good do you want to be? If your answer is, "good enough to get by," than a commitment to excellence is not necessary, but if your completely honest answer is, "the best," you must make a total commitment to excellence.

Wrestlers are born with varying degrees of natural ability. Sacrifice and a commitment to excellence are required to develop that ability. Time, hard work, continuous practice and repetition all go into the making of a good athlete.

To be a winner you must be willing to make sacrifices. This means maintaining good training habits, getting the proper amount of rest, and eating a balanced diet.

You can be as great as you want to be. If you believe in yourself and have the courage, determination, dedication, competitive drive, and if you are willing to give up the little things in life to accomplish an ultimate goal down the road, you will succeed!

In our years of involvement in athletics, we have seen athletes make a sincere commitment to excellence. They had a burning desire to be not just good, but great. They craved coaching. They wanted to learn a new wrestling move every day. They worked harder than the other wrestlers during the season and they never stopped working in the offseason. They went out of their way to look for tougher competition. Finally, they were stubborn – they refused to settle for anything less than the best.

As a result, each was a big winner. There was no luck or chance involved; these wrestlers worked hard so they would always have an edge when they went into their matches. They knew they would win...and they did.

A commitment to excellence means you must be willing to work hard, to push yourself physically until it hurts. We believe that any wrestler who walks off the mat after a full match and is not physically spent has not worked to his physical potential

If you have a true commitment to excellence you will give up anything that does not help you become better as an athlete or a person. Don't be content with mediocrity- strive to live up to the greatness within you.

COMMITMENT NIGHT: This is a night for you to pledge your commitment to excellence in the Eastview Wrestling program. This night will involve activities that encourage you to reflect on your goals and to discuss what it will take to reach those goals. Also, this night will emphasize each wrestler's commitment to the whole team. We depend upon each wrestler to succeed. Your complete commitment is crucial to the success of the team. You deserve to give yourself the best opportunity to succeed. **BE THE BEST YOU CAN BE!**

The great coach Vince Lombardi had this to say about making the commitment to excellence:

"For the winner there is 100 percent elation, 100 percent laughter, 100 percent fun and for the loser the only thing left is a 100 percent resolution and 100 percent determination. The game, I think, is a great deal like life. Every man makes his own personal commitment toward excellence and toward victory. Although you know ultimate victory can never be completely won, it must be pursued with all of one's might and each week there is a new encounter, each year a new challenge."

"I'd like to say that the quality of any man's life is a full measure of that man's personal commitment to excellence and to victory, regardless of what field he may be in."

MAKE A COMMITMENT TO EXCELLENCE!
