## A Message from the President Eastview Wrestling Boosters

*"Own the Moment" is the theme selected by the team captains for this season unlike any other. If recent times have taught us anything, it is that we have little control over the moment's life brings us but we have substantial control over our choices, actions, and attitudes in each moment. In good times and bad, in all arenas of life, we live out the best version of ourselves when we each Own the Moment.*

*The Eastview Wrestling Boosters welcome you to the 2021 season! We are a group of parents committed to providing the best possible experience for Eastview wrestlers, their families, and coaches. Everything we do is made possible by the generous support of the Eastview community.*

*Eastview Wrestling Families – we thank you for all the assistance and encouragement you provide your student athletes, helping them to nurture the discipline necessary to succeed in the sport.*

*Eastview Wrestling Coaches – we thank you for the personal investment you make in our student athletes, teaching them much more than just techniques for the mat.*

*Eastview Wrestling Sponsors – we thank you for the way you kind-heartedly give back to our community, providing invaluable opportunities to our student athletes above and beyond the virtual classroom.*

*And to our Eastview Wrestlers – we thank you for the commitment and sacrifices you make for your school, your team, and yourselves. You make us proud to wear the Blue, Black, and White!*

*The words of Maya Angelou were never more appropriate than in the Covid era: "Life is not measured by the breaths we take, but by the moments that take our breath away."*

# Own the Moment

## 2020-2021 Eastview Wrestling

What a year it has been since we last stepped on the mat! Wrestlers, by nature of our sport, are exceptionally good at

adapting to new and varying situations. We have to in order to be successful. At Eastview, the coaching staff and wrestlers are committed to adapting to the change and will have another outstanding season.

Our 2020-2021 Wrestling Season motto is: “OWN THE MOMENT!” There could not be a more fitting statement. We have been given the opportunity to wrestle, to compete, to just be together as coaches and student-athletes, and we will make the most of it.

What does this season’s motto mean? How will we apply it to not only our wrestling program, but to our personal lives?

Throughout sports history there have been many examples of team and individuals who made their moment in time matter.

Who can forget the 2000 Olympic Wrestling games? The Russian Greco-Roman undefeated Superheavyweight Aleksandr Karelin was in the finals versus the United States Rulon

Gardner. Karelin was UNDEFEATED for 13 YEARS prior to this match up. He did not give up a point in 6 years leading up to this bout. Gardner was an All-American for Nebraska in college. During the match, one of the old rules in Greco-Roman wrestling after inactivity was to put both wrestlers on their feet in a clinch (over under with hands locked). They would wrestle from there trying to score points. HOWEVER, if anyone breaks their grip a point was awarded to their opponent. Gardner fought and Karelin’s hands became unlocked for an instant... point Gardner. Rulon battled and staved off attacks from Karelin as time expired, beating the unbeatable to become an Olympic Gold Medalist. He truly *Owned the Moment!*

There are many more instances showing athletes Owning their Moment — the 1980 Olympic Gold Medal Hockey Team, or quarterback Tom Brady stepping in for an injured Drew Bledsoe in the 2001 season and never looking back.

We know life will present challenges, some we have control over and others we do not. We must adapt and take advantages of those things that we can.

This is **our** time, and we will **OWN THE MOMENT!**

# 2nd Annual Summer Picnic / Bean Bag Tournament

On Thursday, August 13, 2020, we gathered wrestlers, along with family and friends, for the 2nd Annual Summer Picnic/Bean Bag Tournament at Blackhawk Park in Eagan. We enjoyed food, drinks, music, raffle and a silent auction, in addition to games and activities for the kids...all to support EV Wrestlers Pre-K to 12th Grade. The feature event was a Bean Bag Tournament for all registered participants. A great time was had by all!

# Commitment To Excellence

## MAKE A COMMITMENT TO EXCELLENCE!

How good do you want to be? If your answer is, "good enough to get by," than a commitment to excellence is not necessary, but if your completely honest answer is, "the best," you must make a total commitment to excellence.

Wrestlers are born with varying degrees of natural ability. Sacrifice and a commitment to excellence are required to develop that ability. Time, hard work, continuous practice and repetition all go into the making of a good athlete.

To be a winner you must be willing to make sacrifices. This means maintaining good training habits, getting the proper amount of rest, and eating a balanced diet.

You can be as great as you want to be. If you believe in yourself and have the courage, determination, dedication, competitive drive, and if you are willing to give up the little things in life to accomplish an ultimate goal down the road, you will succeed!

In our years of involvement in athletics, we have seen athletes make a sincere commitment to excellence. They had a burning desire to be not just good, but great. They craved coaching. They wanted to learn a new wrestling move every day. They worked harder than the other wrestlers during the season and they never stopped working in the offseason. They went out of their way to look for tougher competition. Finally, they were stubborn – they refused to settle for anything less than the best.

As a result, each was a big winner. There was no luck or chance involved; these wrestlers worked hard so they would always have an edge when they went into their matches. They knew they would win...and they did.

A commitment to excellence means you must be willing to work hard, to push yourself physically until it hurts. We believe that any wrestler who walks off the mat after a full match and is not physically spent has not worked to his physical potential.

If you have a true commitment to excellence you will give up anything that does not help you become better as an athlete or a person. Don't be content with mediocrity- strive to live up to the greatness within you.

The great coach Vince Lombardi had this to say about making the commitment to excellence:

*"For the winner there is 100 percent elation, 100 percent laughter, 100 percent fun and for the loser the only thing left is a 100 percent resolution and 100 percent determination. The game, I think, is a great deal like life. Every man makes his own personal commitment toward excellence and toward victory. Although you know ultimate victory can never be completely won, it must be pursued with all of one's might and each week there is a new encounter, each year a new challenge.*

*"I'd like to say that the quality of any man's life is a full measure of that man's personal commitment to excellence and to victory, regardless of what field he may be in."*
