

# Top 100 Questions

Technology and Current Affairs

## Computer Basics and Uses

Here are **Top 100 Questions on Computer Basics and Uses**, ideal for general knowledge, school quizzes, or foundational computer education:

---

### **Basic Computer Concepts**

1. What is a computer?
  2. Who is known as the father of the computer?
  3. What are the main parts of a computer?
  4. What is hardware?
  5. What is software?
  6. What is an operating system?
  7. What is a desktop?
  8. What is a laptop?
  9. What is a tablet?
  10. What is the function of the CPU?
- 

### **Input and Output Devices**

11. What is an input device? Give examples.

12. What is an output device? Give examples.

13. Is a keyboard an input or output device?

14. What does a mouse do?

15. What is a scanner used for?

16. What does a printer do?

17. What is the use of a monitor?

18. What is a touchscreen?

19. What is a webcam?

20. Is a speaker an input or output device?

---

## **Memory and Storage**

21. What is computer memory?

22. What is RAM?

23. What is ROM?

24. What is a hard disk?

25. What is a pen drive?

26. What is a memory card?

27. What is cloud storage?

28. How is data stored in a computer?

29. What is an SSD?

30. How is RAM different from storage?

---

## **Computer Uses**

31. What are the uses of computers in education?
  32. How are computers used in banks?
  33. How do doctors use computers?
  34. How are computers used in offices?
  35. What is the role of computers in communication?
  36. How are computers used in designing?
  37. How are computers used in shopping?
  38. What are computers used for at home?
  39. What are the uses of computers in railways and airports?
  40. How are computers used in research?
- 

## **Computer in Daily Life**

41. How can we use a computer to send emails?
42. What is an online class?
43. What is online banking?
44. How do people play games on a computer?
45. How is a computer used in reading e-books?
46. What is the use of computers in social media?
47. What is an e-ticket?
48. How do computers help in learning new skills?

- 49. How are computers used for entertainment?
  - 50. How is a computer used in weather forecasting?
- 

## **Internet Basics**

- 51. What is the Internet?
  - 52. What is a website?
  - 53. What is a web browser?
  - 54. What is a search engine?
  - 55. What is downloading and uploading?
  - 56. What is email?
  - 57. What is Google used for?
  - 58. What is meant by surfing the web?
  - 59. What is YouTube?
  - 60. What is Wi-Fi?
- 

## **Types and Examples of Software**

- 61. What is system software?
- 62. What is application software?
- 63. Give examples of system software.
- 64. What is MS Word used for?
- 65. What is MS Excel used for?

- 66. What is MS PowerPoint?
  - 67. What is a web browser?
  - 68. What is antivirus software?
  - 69. What is a PDF reader?
  - 70. What are mobile applications?
- 

### **Computer Safety and Ethics**

- 71. What is a computer virus?
  - 72. How can we protect a computer from viruses?
  - 73. What is cyber safety?
  - 74. What is a password?
  - 75. What is online privacy?
  - 76. What is digital citizenship?
  - 77. What are computer ethics?
  - 78. Why should we not share passwords?
  - 79. What is hacking?
  - 80. What is plagiarism?
- 

### **Icons, Files, and Folders**

- 81. What is a file?
- 82. What is a folder?

83. What is a desktop icon?
  84. How do you open a file?
  85. What is meant by saving a file?
  86. How do you rename a folder?
  87. How do you delete a file?
  88. What is a shortcut icon?
  89. What is a taskbar?
  90. What is a recycle bin?
- 

### **Fun and Practical Activities**

91. How do you take a screenshot on a computer?
  92. What is Paint used for?
  93. What is the use of Calculator on the computer?
  94. How do you print a document?
  95. How do you watch a video on a computer?
  96. How do you open an internet browser?
  97. What is copy-paste?
  98. What is drag and drop?
  99. What is a username and password?
  100. How do you shut down a computer properly?
- 

Would you like this as a **PDF** or **worksheet format** too?

# Internet Safety Rules

Here are the **Top 100 Questions on Internet Safety Rules**, ideal for school learners, general awareness, or cyber safety programs:

---

## General Internet Safety

1. What is internet safety?
  2. Why is internet safety important?
  3. What are some common internet safety rules?
  4. What is personal information?
  5. Why should we not share personal information online?
  6. What is a secure website?
  7. What does HTTPS mean?
  8. Why should we avoid clicking on suspicious links?
  9. What is a pop-up ad?
  10. What should you do if a pop-up appears?
- 

## Passwords and Privacy

11. What makes a strong password?
12. Why should we keep passwords secret?
13. What is two-factor authentication?
14. How often should you change your passwords?

15. What is a password manager?
  16. Why should you not use your name or birthdate in your password?
  17. What is phishing?
  18. How can you recognize a phishing email?
  19. What is identity theft?
  20. What should you do if someone steals your account?
- 

### **For Kids and Students**

21. Why should you not talk to strangers online?
  22. What is cyberbullying?
  23. What should you do if someone bullies you online?
  24. Should you meet online friends in real life?
  25. Why should you tell a trusted adult if you feel unsafe online?
  26. What is an online game chat?
  27. Is it safe to click “Allow” on unknown game permissions?
  28. Why is age-appropriate content important?
  29. What is parental control software?
  30. What are kid-safe browsers?
- 

### **Social Media Safety**

31. What is social media?

32. Why should we be careful while posting on social media?
  33. What is oversharing?
  34. Can your social media posts affect your future?
  35. Who can see your social media posts?
  36. What is a privacy setting?
  37. Why should you avoid posting your location online?
  38. What should you not post on social media?
  39. What is a digital footprint?
  40. What happens when you delete something from the internet?
- 

### **Online Communication and Chats**

41. What is safe online communication?
  42. Should you open messages from unknown people?
  43. What is spam?
  44. What should you do if you get a strange message?
  45. What is an online predator?
  46. Should you send your photo to someone you don't know?
  47. What is an online scam?
  48. What is catfishing?
  49. What are internet trolls?
  50. What is a block or report option in apps?
-

## **Viruses, Malware, and Safe Downloads**

51. What is a computer virus?
  52. What is malware?
  53. What is ransomware?
  54. How do viruses enter your computer?
  55. What is antivirus software?
  56. How can you avoid downloading viruses?
  57. Why should you not download software from unknown websites?
  58. What are fake download buttons?
  59. What is adware?
  60. What is spyware?
- 

## **Online Shopping and Money Safety**

61. Is it safe to shop online?
62. What is a trusted website?
63. What is a secure payment method?
64. What is a credit card scam?
65. Should you share your bank details online?
66. How do you know if a shopping website is safe?
67. What are signs of a fake website?
68. Why should you avoid public Wi-Fi for transactions?

69. What is online fraud?

70. What is a payment gateway?

---

### **Safe Browsing Habits**

71. What is a browser history?

72. What is incognito or private mode?

73. Why should you log out after using shared computers?

74. What is a safe search filter?

75. Why should you avoid adult or violent content?

76. How to identify fake news?

77. What is clickbait?

78. How can you report harmful websites?

79. What is a browser extension?

80. How to clear cache and cookies?

---

### **Handling Unsafe Situations**

81. What should you do if you see something upsetting online?

82. How to block a person on social media?

83. How to report abuse online?

84. Who can you contact for cybercrime help?

85. What is a cybercrime helpline?

86. Why should you talk to adults about your online problems?

87. How do you know if your account has been hacked?

88. What is online grooming?

89. What is sextortion?

90. How do you report a fake account?

---

### **Awareness and Good Practices**

91. What is digital citizenship?

92. Why should we respect others online?

93. What are the golden rules of netiquette?

94. Why should you think before you post?

95. What are online rights and responsibilities?

96. Why is it important to take breaks from screen time?

97. How can you use the internet positively?

98. Why is critical thinking important online?

99. What is internet addiction?

100. What can schools and parents do to promote internet safety?

---

Would you like this in **PDF**, **worksheet**, or **quiz format** for students or classroom use?

## Mobile Phones Do's and Dont's

Here are the **Top 100 Questions on Mobile Phones – Do's and Don'ts**, great for school awareness programs, general safety education, or digital etiquette training:

---

### **Basics of Mobile Phone Use**

1. What is a mobile phone?
  2. What are smartphones?
  3. How are mobile phones helpful in daily life?
  4. Why do people use mobile phones?
  5. What are some common uses of mobile phones?
  6. What is a SIM card?
  7. What are apps?
  8. What is mobile data?
  9. What is Wi-Fi?
  10. What is a mobile operating system?
- 

### **General Do's of Mobile Phone Use**

11. What are good habits while using a mobile phone?
12. Should you keep your phone on silent in public places?
13. Why should you use earphones during calls in public?
14. Should you answer unknown numbers politely?
15. Why is it important to keep your phone clean?
16. Why should you keep your phone updated?

17. How often should you charge your phone?

18. What is the benefit of using screen locks?

19. Why is it important to back up your data?

20. Why should you check app permissions?

---

## **General Don'ts of Mobile Phone Use**

21. Why should you not use mobile phones while driving?

22. Should you avoid using phones while walking on the road?

23. Why is it wrong to use mobile phones during meals?

24. Should you avoid shouting during calls?

25. Why should you avoid using someone else's phone without permission?

26. Should you avoid keeping your phone too close while sleeping?

27. Why should you not take or share photos of others without consent?

28. Is it okay to use mobile phones in class or meetings without reason?

29. Why should you avoid using mobile phones in religious or cultural places?

30. Why should phones be kept away from babies and young children?

---

## **Mobile Phones in Education**

31. How can mobile phones be used for learning?

32. What are some educational apps?

33. What is the right time to use mobile for studies?

- 34. Should mobile phones be used during class hours?
  - 35. Can too much mobile use affect concentration?
  - 36. How can phones help in online classes?
  - 37. What is mobile learning?
  - 38. Why should students avoid playing games during study time?
  - 39. Should mobile phones be allowed in exams?
  - 40. What is digital discipline?
- 

### **Safe Internet Use on Mobile Phones**

- 41. How do you stay safe online using a mobile?
  - 42. What is mobile data safety?
  - 43. What are safe browsing habits?
  - 44. Why should you not open unknown links or messages?
  - 45. What is phishing on mobile phones?
  - 46. What should you do if you receive a suspicious message?
  - 47. Why should you install apps only from trusted sources?
  - 48. What is app permission, and why is it important?
  - 49. Why should you regularly update your apps?
  - 50. How can antivirus protect your mobile?
- 

### **Mobile Use for Kids**

51. At what age should children be allowed to use phones?
  52. Why is screen time control important for kids?
  53. What are parental controls on mobile phones?
  54. Should children use phones while eating?
  55. Can too much phone use harm children's eyes?
  56. What are good mobile habits for children?
  57. Why should children not use phones during school hours?
  58. What are child-safe mobile apps?
  59. How can parents monitor kids' mobile activity?
  60. What is digital wellness?
- 

### **Battery and Charging Safety**

61. Why is it dangerous to use mobile phones while charging?
62. What is the safe way to charge your phone?
63. Should you use your phone's original charger?
64. Can overcharging harm your phone?
65. Why is it unsafe to charge phones overnight?
66. What are power banks, and how to use them safely?
67. Should phones be used in wet conditions?
68. Why should phones not be taken to the bathroom?
69. Can phone batteries explode?

70. How to dispose of old mobile batteries safely?

---

## **Privacy and Security**

- 71. What is a mobile phone lock?
  - 72. Why is it important to keep phones password-protected?
  - 73. What is biometric authentication?
  - 74. Should you share your phone password with anyone?
  - 75. Why should you not share personal photos online?
  - 76. What should you do if your phone is stolen?
  - 77. How do you track a lost mobile phone?
  - 78. What is end-to-end encryption in mobile apps?
  - 79. What are privacy settings?
  - 80. Why is it important to review app permissions?
- 

## **Mobile Manners and Etiquette**

- 81. What are mobile manners?
- 82. Why should phones be kept on silent during events?
- 83. Should you use speaker mode in public?
- 84. Is it polite to use phones during conversations?
- 85. Why is it rude to use phones at the dinner table?
- 86. Should phones be used in theaters or libraries?

- 87. What are good texting habits?
  - 88. Should you record people without their permission?
  - 89. Is it right to constantly check your phone while with others?
  - 90. What is phubbing?
- 

### **Health and Mental Wellness**

- 91. Can mobile phones affect your eyesight?
  - 92. What is screen addiction?
  - 93. Why is it important to take screen breaks?
  - 94. Can mobile use affect sleep?
  - 95. How can blue light affect your health?
  - 96. What are symptoms of too much screen time?
  - 97. What is digital detox?
  - 98. Why is outdoor play better than mobile games?
  - 99. What is the impact of mobile phones on mental health?
  - 100. What is a balanced mobile phone usage schedule?
- 

Would you like this in **PDF**, **poster**, or **interactive quiz format**?

## Robotics Introduction

Here are the **Top 100 Questions on Robotics – Introduction**, designed for students, enthusiasts, and beginners exploring the world of robots and automation:

## Basic Introduction to Robotics

1. What is a robot?
2. What is robotics?
3. Who is considered the father of robotics?
4. How are robots different from machines?
5. What are the main parts of a robot?
6. What is a robot made of?
7. What is the purpose of a robot?
8. Can robots think like humans?
9. How do robots follow instructions?
10. What is artificial intelligence in robots?

## Understanding Robot Components

11. What is a sensor in a robot?
12. What is an actuator?
13. What is a microcontroller?
14. What is a servo motor?
15. What is a robot arm?
16. What is a gripper in a robot?
17. What is a power source in robots?

18. How do robots move?
  19. What is a robotic brain?
  20. What is programming in robotics?
- 

## **Types of Robots**

21. What are the different types of robots?
  22. What is an industrial robot?
  23. What is a humanoid robot?
  24. What is a service robot?
  25. What is a medical robot?
  26. What is a military robot?
  27. What is a drone?
  28. What is a space robot?
  29. What is a household robot?
  30. What is a robotic pet?
- 

## **Robotics in Daily Life**

31. How are robots used in homes?
32. How are robots used in hospitals?
33. How are robots used in factories?
34. What are robotic vacuum cleaners?

- 35. How are robots used in agriculture?
  - 36. Can robots help people with disabilities?
  - 37. How are robots used in schools?
  - 38. How are robots used in restaurants?
  - 39. How do robots help in rescue operations?
  - 40. How are robots used in space missions?
- 

## **History and Evolution of Robotics**

- 41. When was the first robot built?
  - 42. What was the first industrial robot?
  - 43. How has robotics evolved over time?
  - 44. What are some famous robots in history?
  - 45. How did science fiction influence robotics?
  - 46. What was the role of robotics in early space exploration?
  - 47. How have robots changed over the decades?
  - 48. What is the significance of Asimov's Three Laws of Robotics?
  - 49. What are some popular robots in movies?
  - 50. Who invented the first programmable robot?
- 

## **Robotics in Education**

- 51. Why should we learn robotics?

- 52. What age is good to start learning robotics?
  - 53. What is STEM education in robotics?
  - 54. What are robotics kits?
  - 55. What is LEGO robotics?
  - 56. What is Arduino in robotics?
  - 57. What is Raspberry Pi?
  - 58. How is robotics used in school projects?
  - 59. What are robotics competitions for students?
  - 60. What is coding in robotics?
- 

## **Robot Building and Design**

- 61. What is robot design?
  - 62. What tools are used to build robots?
  - 63. What are the steps to build a robot?
  - 64. What is robot programming?
  - 65. What programming languages are used in robotics?
  - 66. What is robot simulation?
  - 67. What is 3D printing in robotics?
  - 68. What are open-source robots?
  - 69. What is a robot chassis?
  - 70. What is a line-following robot?
-

## **Robotic Technologies**

- 71. What is automation?
  - 72. What is AI in robotics?
  - 73. What is machine learning?
  - 74. What is computer vision in robotics?
  - 75. What is speech recognition in robots?
  - 76. What is IoT in robotics?
  - 77. What is robot mapping (SLAM)?
  - 78. What is a teleoperated robot?
  - 79. What is collaborative robotics (cobots)?
  - 80. What is autonomous navigation?
- 

## **Robotics Ethics and Safety**

- 81. What are ethical concerns in robotics?
- 82. Can robots replace human jobs?
- 83. Are robots dangerous?
- 84. How can we make robots safe?
- 85. What is the role of humans in a robotic world?
- 86. What is robot-human interaction?
- 87. What is privacy in robotics?
- 88. Should robots have rights?

89. Can robots make moral decisions?

90. What is responsible robotics?

---

## **Future of Robotics**

91. What is the future of robotics?

92. Will robots be part of everyday life?

93. Can robots become self-aware?

94. How will robotics impact education?

95. How will robots change healthcare?

96. What careers are available in robotics?

97. Will robots replace teachers?

98. How will AI and robotics work together?

99. What is the role of robotics in climate change?

100. Can robots help build a better world?

---

Would you like this list in **PDF**, **worksheet**, or **quiz format** for students or educational programs?

## Space Missions: ISRO and NASA

Here are the **Top 100 Questions on Space Missions: ISRO and NASA**, perfect for school projects, quizzes, general knowledge, and space enthusiasts.

---

## **Introduction to Space Missions**

1. What is a space mission?
  2. What is the purpose of space missions?
  3. What is a satellite?
  4. What is a rocket?
  5. What is a space probe?
  6. What is a space shuttle?
  7. What is a space station?
  8. What is an astronaut?
  9. What is launch vehicle?
  10. What is a payload in space missions?
- 

## **ISRO – Indian Space Research Organisation**

11. What is ISRO?
12. When was ISRO founded?
13. Who founded ISRO?
14. Where is ISRO headquarters located?
15. What was ISRO's first satellite?
16. What was India's first space mission?
17. What is the function of ISRO?
18. Who was the first chairman of ISRO?
19. Who is the current chairman of ISRO?

20. What is ISRO's main rocket launch site?

---

### **Major ISRO Space Missions**

21. What is Chandrayaan-1?

22. What did Chandrayaan-1 discover on the Moon?

23. What is Chandrayaan-2?

24. Why did Chandrayaan-2's lander fail to land softly?

25. What is Chandrayaan-3?

26. What is the significance of Chandrayaan-3?

27. What is Mangalyaan (Mars Orbiter Mission)?

28. Why was Mangalyaan famous?

29. What is Aditya-L1 mission?

30. What is the purpose of Aditya-L1?

---

### **Other Important ISRO Missions**

31. What is Gaganyaan Mission?

32. When will Gaganyaan be launched?

33. What is RISAT?

34. What is INSAT?

35. What is Cartosat?

36. What is GSAT?

- 37. What is PSLV?
  - 38. What is GSLV?
  - 39. What is SSLV?
  - 40. What is Antrix Corporation?
- 

### **ISRO's People and Achievements**

- 41. Who was Vikram Sarabhai?
  - 42. Who was A.P.J. Abdul Kalam in ISRO?
  - 43. What are some of ISRO's biggest achievements?
  - 44. What is India's record for launching satellites?
  - 45. How many satellites did ISRO launch in a single mission in 2017?
  - 46. Which international agencies does ISRO collaborate with?
  - 47. What is the Vikram lander?
  - 48. What is the Pragyan rover?
  - 49. What was India's first astronaut program?
  - 50. Who will go on the Gaganyaan mission?
- 

### **NASA – National Aeronautics and Space Administration**

- 51. What is NASA?
- 52. When was NASA founded?
- 53. Where is NASA headquartered?

54. What was NASA's first space mission?
  55. Who was NASA's first astronaut in space?
  56. What was NASA's first satellite?
  57. What is the Apollo program?
  58. What was Apollo 11?
  59. Who were the astronauts on Apollo 11?
  60. When did humans first land on the Moon?
- 

### **Major NASA Missions**

61. What is the Hubble Space Telescope?
  62. What is the James Webb Space Telescope?
  63. What is the Mars Rover program?
  64. What is the Curiosity Rover?
  65. What is Perseverance Rover?
  66. What is Ingenuity helicopter?
  67. What is the Artemis program?
  68. What is Artemis I?
  69. What is Artemis II?
  70. What is the Orion spacecraft?
- 

### **NASA Space Shuttles & Satellites**

71. What was the Space Shuttle program?
  72. What is the International Space Station (ISS)?
  73. What role does NASA play in the ISS?
  74. What was the Challenger disaster?
  75. What was the Columbia disaster?
  76. What is the Voyager mission?
  77. What is New Horizons mission?
  78. What is Parker Solar Probe?
  79. What is the purpose of the Juno mission?
  80. What is the TESS mission?
- 

### **Comparison: ISRO and NASA**

81. What are the similarities between ISRO and NASA?
82. How is ISRO different from NASA?
83. Which agency has launched more missions: ISRO or NASA?
84. Which space agency reached Mars first at a low cost?
85. Which agency landed humans on the Moon?
86. Which space agency built the James Webb Telescope?
87. What is the international reputation of ISRO and NASA?
88. Which agency focuses more on commercial satellite launches?
89. What is the cost comparison between ISRO and NASA missions?

90. How do ISRO and NASA work together?

---

### **Fun and Curious Questions**

- 91. Can ISRO send humans to the Moon?
  - 92. Will NASA send astronauts to Mars?
  - 93. How are satellites launched into orbit?
  - 94. What is zero gravity?
  - 95. How do astronauts live in space?
  - 96. What do space rovers do?
  - 97. Can robots explore other planets?
  - 98. Why is space exploration important?
  - 99. What is the future of ISRO and NASA?
  - 100. How can I become a space scientist in ISRO or NASA?
- 

Would you like this as a **printable PDF**, **PowerPoint**, or **quiz worksheet** for students?

## AI and Smart Devices Basics

Here are the **Top 100 Questions on AI and Smart Devices Basics**, perfect for school students, general awareness, or anyone beginning to explore artificial intelligence and smart technology:

---

### **Introduction to Artificial Intelligence (AI)**

1. What is Artificial Intelligence (AI)?
  2. Who coined the term "Artificial Intelligence"?
  3. How does AI work?
  4. What are the goals of AI?
  5. What are the different types of AI?
  6. What is Machine Learning?
  7. What is Deep Learning?
  8. What is the difference between AI and Robotics?
  9. Is AI the same as human intelligence?
  10. What is an AI algorithm?
- 

## **Basics of AI in Daily Life**

11. Where do we see AI in daily life?
12. What are some examples of AI in smartphones?
13. How does AI work in voice assistants?
14. What is face recognition?
15. How does Google Search use AI?
16. How does AI recommend videos on YouTube or Netflix?
17. How does AI help in online shopping?
18. What are chatbots?
19. What is language translation using AI?

20. How does AI improve photo quality?

---

## **Smart Devices – An Overview**

- 21. What is a smart device?
  - 22. What makes a device “smart”?
  - 23. How are smart devices connected?
  - 24. What is the Internet of Things (IoT)?
  - 25. What are examples of smart home devices?
  - 26. What is a smart speaker?
  - 27. What is a smart TV?
  - 28. What is a smart thermostat?
  - 29. What is a wearable smart device?
  - 30. How does a fitness tracker work?
- 

## **Voice Assistants & AI Helpers**

- 31. What is a virtual assistant?
- 32. What is Amazon Alexa?
- 33. What is Google Assistant?
- 34. What is Apple’s Siri?
- 35. What is Microsoft’s Cortana?
- 36. How do voice assistants understand commands?

- 37. Can AI assistants speak many languages?
  - 38. Are smart assistants always listening?
  - 39. How do smart devices respond to voice commands?
  - 40. Can smart assistants control other devices?
- 

## **AI Features and Technologies**

- 41. What is Natural Language Processing (NLP)?
  - 42. What is computer vision in AI?
  - 43. What is speech recognition?
  - 44. What is AI-based translation?
  - 45. What is predictive text?
  - 46. What is sentiment analysis?
  - 47. What is autonomous AI?
  - 48. What is data in AI systems?
  - 49. What is a neural network?
  - 50. What is supervised learning?
- 

## **Smart Homes and Automation**

- 51. What is home automation?
- 52. What are smart lights?
- 53. How do smart security cameras work?

- 54. What is a smart doorbell?
  - 55. Can smart devices be controlled by smartphone apps?
  - 56. How do smart plugs work?
  - 57. What are smart kitchen appliances?
  - 58. How do smart devices save energy?
  - 59. Can smart homes improve safety?
  - 60. Can smart homes help elderly people?
- 

### **AI in Transport and Vehicles**

- 61. What is a self-driving car?
  - 62. How does AI help in navigation apps?
  - 63. What is traffic prediction using AI?
  - 64. How do smart cars use sensors?
  - 65. What is cruise control with AI?
  - 66. Can AI prevent accidents?
  - 67. What is an autonomous drone?
  - 68. How do delivery robots work?
  - 69. What is a GPS smart device?
  - 70. How does AI help in public transport?
- 

### **AI in Healthcare**

71. How is AI used in medicine?
  72. What are AI health assistants?
  73. Can AI detect diseases?
  74. How is AI used in hospitals?
  75. What is a smart medical device?
  76. How do fitness apps use AI?
  77. What is AI-based health monitoring?
  78. Can AI help during surgeries?
  79. Can AI predict outbreaks or pandemics?
  80. How do smartwatches monitor heart rates?
- 

## **Safety, Security, and Ethics**

81. Is AI always safe to use?
82. What are privacy concerns with smart devices?
83. How can AI affect jobs?
84. Can AI be biased?
85. What are deepfakes?
86. What are the risks of AI surveillance?
87. How can we protect our data from smart devices?
88. What is ethical AI?
89. Who regulates AI development?

90. What is responsible AI usage?

---

### **Future of AI and Smart Devices**

- 91. What is the future of AI?
  - 92. Will AI replace teachers or doctors?
  - 93. Can AI become smarter than humans?
  - 94. Will every home be smart in the future?
  - 95. What is AI in education?
  - 96. What is AI in agriculture?
  - 97. Can AI help fight climate change?
  - 98. Will AI create new types of jobs?
  - 99. Can AI be used in space missions?
  - 100. How can students learn more about AI?
-

## Current Events : Age Appropriate News

Here are the **Top 100 Questions on Current Events – Age-Appropriate News for Students** (suitable for upper primary to middle school learners). These questions are crafted to spark curiosity about what's happening around the world in a safe, informative way.

---

### **Understanding News and Current Events**

1. What are current events?
  2. Why is it important to know current events?
  3. What is the role of news in our daily life?
  4. What is a newspaper?
  5. What is a news channel?
  6. What is digital news?
  7. What is fake news?
  8. How can you identify real news?
  9. What are the different sections of a newspaper?
  10. What is a headline?
- 

### **Current Events in India**

11. Who is the current Prime Minister of India?
12. Who is the President of India?
13. What is the latest government scheme for students?
14. What is happening in Indian Parliament this week?
15. What is India doing to protect the environment?
16. What are the latest achievements by ISRO?
17. Which Indian player recently won an international medal?
18. What is the latest sports event held in India?
19. What is the new policy in Indian education?

20. Which Indian state recently had elections?

---

### **World Affairs – Simple and Safe**

21. Who is the President of the United States?

22. What is the United Nations?

23. What is the latest world event students should know?

24. Which country hosted the most recent Olympics?

25. What are the G20 countries?

26. What is a climate summit?

27. Why are countries working to reduce pollution?

28. What is happening in space exploration today?

29. What is a peace treaty?

30. What is the World Health Organization (WHO) doing now?

---

### **Environment and Climate**

31. What is global warming?

32. What is a heatwave?

33. What are countries doing about climate change?

34. What is International Earth Day?

35. What is the recent clean energy mission in India?

36. What is a cyclone?

- 37. Why are forest fires in the news?
  - 38. What is sustainable living?
  - 39. What are electric vehicles and why are they in the news?
  - 40. What is the latest wildlife conservation news?
- 

### **Sports and Games**

- 41. What are the latest results of the Cricket World Cup?
  - 42. Who won the recent Wimbledon tournament?
  - 43. What is the latest record in athletics?
  - 44. Which Indian athlete is in the news recently?
  - 45. What is the next big international sports event?
  - 46. Who is the captain of the Indian cricket team?
  - 47. What is the Asian Games?
  - 48. What is a Paralympic sport?
  - 49. Who is the youngest athlete in the news?
  - 50. What is the Indian team's latest sports achievement?
- 

### **Science and Technology News**

- 51. What is ISRO's latest mission?
- 52. What is NASA doing right now?
- 53. What is a satellite launch?

- 54. What is the James Webb Space Telescope?
  - 55. What is the new invention for clean water?
  - 56. What is the latest scientific discovery?
  - 57. What is AI and why is it in the news?
  - 58. What is a robot that helps people?
  - 59. What is the latest medical breakthrough?
  - 60. How are students using technology in new ways?
- 

### **Education and Youth News**

- 61. What are new government schemes for students?
  - 62. What is the latest change in the school curriculum?
  - 63. What is NEP (National Education Policy)?
  - 64. Which Indian student recently received a global award?
  - 65. What is a coding challenge for kids?
  - 66. What is National Science Day about?
  - 67. What is the latest book launched for students?
  - 68. What are career guidance programs in the news?
  - 69. What is happening in school sports and fests?
  - 70. What are student leadership programs?
- 

### **Health and Safety News**

71. What is the current health advice for children?
  72. What is dengue and why is it in the news?
  73. What is the importance of hand washing in schools?
  74. What is a health camp?
  75. What is happening in hospitals near you?
  76. What is WHO's latest health warning?
  77. What is the news about COVID-19 variants?
  78. What is mental health awareness week?
  79. What are students doing for health and wellness?
  80. What is the role of yoga in staying healthy?
- 

### **Innovation and Achievements**

81. Which student made a new invention?
82. What is a recent record set by a child?
83. What is the latest innovation by a teenager?
84. What is a young scientist award?
85. What is a clean energy innovation?
86. Who is the youngest Nobel Prize nominee?
87. What is a school doing to save the environment?
88. What is the latest in robotics by students?
89. What is the news about student-run startups?

90. What is the latest science fair highlight?

---

### **Arts, Culture, and Festivals**

91. What festival is being celebrated this week?
  92. What is the latest award in cinema or music?
  93. What is the latest cultural event for children?
  94. What is a national painting or writing contest?
  95. Which Indian movie is in the international news?
  96. What are schools doing for Independence Day?
  97. What is World Heritage Day?
  98. What is the latest in Indian dance or music festivals?
  99. What is the latest student documentary or film?
  100. What is the latest initiative to preserve Indian culture?
-

## Sports and Games

Here are the **Top 100 Questions on Sports and Games**, ideal for students, general knowledge quizzes, classroom discussions, and sports awareness programs:

---

### **General Knowledge about Sports and Games**

1. What is the difference between sports and games?

2. Why are sports important for health?
  3. What is physical fitness?
  4. How do sports help in building teamwork?
  5. What is a team sport?
  6. What is an individual sport?
  7. What is sportsmanship?
  8. What are indoor games?
  9. What are outdoor games?
  10. What are the Olympic Games?
- 

### **Popular International Sports**

11. What is football (soccer)?
  12. How many players are in a football team?
  13. What is offside in football?
  14. Who is Lionel Messi?
  15. Who is Cristiano Ronaldo?
  16. What is the FIFA World Cup?
  17. What is basketball?
  18. How many players are in a basketball team?
  19. What is the NBA?
  20. What is volleyball?
-

## **Cricket – India's Favorite Sport**

21. What is cricket?
  22. How many players are in a cricket team?
  23. What is an over in cricket?
  24. What is a wicket?
  25. Who is Virat Kohli?
  26. Who is Rohit Sharma?
  27. What is the ICC?
  28. What is a century in cricket?
  29. What is the Indian Premier League (IPL)?
  30. What is a no-ball in cricket?
- 

## **Tennis and Other Racquet Sports**

31. What is tennis?
32. What is a Grand Slam?
33. Who is Roger Federer?
34. Who is Serena Williams?
35. What is table tennis?
36. How is badminton played?
37. Who is P.V. Sindhu?
38. Who is Saina Nehwal?

39. What is a shuttlecock?

40. What is a tennis court?

---

### **Athletics and Track Events**

41. What are track and field events?

42. What is the 100-meter sprint?

43. Who is Usain Bolt?

44. What is long jump?

45. What is high jump?

46. What is a marathon?

47. What is the relay race?

48. What is shot put?

49. What is discus throw?

50. What are hurdles?

---

### **Aquatic and Water Sports**

51. What is swimming?

52. What are the different swimming styles?

53. What is diving?

54. What is water polo?

55. What is surfing?

- 56. What is synchronized swimming?
  - 57. Who is Michael Phelps?
  - 58. What is a life jacket used for?
  - 59. What are the safety rules in swimming?
  - 60. What is scuba diving?
- 

### **Traditional and National Sports**

- 61. What is the national game of India?
  - 62. What is hockey?
  - 63. Who is Dhyan Chand?
  - 64. What is kabaddi?
  - 65. What is kho-kho?
  - 66. What is gilli-danda?
  - 67. What is mallakhamb?
  - 68. What is wrestling (kushti)?
  - 69. What is archery?
  - 70. What is a bullock cart race?
- 

### **Mind Games and Board Games**

- 71. What is chess?
- 72. Who is Viswanathan Anand?

- 73. What is a checkmate?
  - 74. What is carrom?
  - 75. What is ludo?
  - 76. What is sudoku?
  - 77. What is crossword puzzle?
  - 78. What is Scrabble?
  - 79. What is Monopoly?
  - 80. What is Snakes and Ladders?
- 

### **Olympics and Major Sports Events**

- 81. What are the Olympic Games?
  - 82. How often are the Olympics held?

  6. Who is Yuvraj Singh?
  7. Who is P.V. Sindhu?
  8. Who is Saina Nehwal?
  9. Who is Neeraj Chopra?
  10. Who is Mary Kom?
- 

### **Cricket Legends (India and World)**

11. Who is Sunil Gavaskar?
  12. Who is Rahul Dravid?
  13. Who is Sourav Ganguly?
  14. Who is Jasprit Bumrah?
  15. Who is Anil Kumble?
  16. Who is R Ashwin?
  17. Who is Virender Sehwag?
  18. Who is Mithali Raj?
  19. Who is Jhulan Goswami?
  20. Who is Smriti Mandhana?
-

21. Who is Brian Lara?
  22. Who is Ricky Ponting?
  23. Who is Jacques Kallis?
  24. Who is AB de Villiers?
  25. Who is Chris Gayle?
  26. Who is Muttiah Muralitharan?
  27. Who is Wasim Akram?
  28. Who is Babar Azam?
  29. Who is Ben Stokes?
  30. Who is Kane Williamson?
- 

### **Athletics & Track Legends**

31. Who is Usain Bolt?
32. Who is Carl Lewis?
33. Who is Milkha Singh?
34. Who is P.T. Usha?
35. Who is Hima Das?
36. Who is Anju Bobby George?
37. Who is Abhinav Bindra?
38. Who is Dutee Chand?
39. Who is Tatyana McFadden?

40. Who is Allyson Felix?

---

### **Tennis Icons**

41. Who is Roger Federer?

42. Who is Rafael Nadal?

43. Who is Novak Djokovic?

44. Who is Serena Williams?

45. Who is Venus Williams?

46. Who is Sania Mirza?

47. Who is Leander Paes?

48. Who is Rohan Bopanna?

49. Who is Martina Navratilova?

50. Who is Steffi Graf?

---

### **Swimming Champions**

51. Who is Michael Phelps?

52. Who is Katie Ledecky?

53. Who is Ian Thorpe?

54. Who is Caeleb Dressel?

55. Who is Kristóf Milák?

56. Who is Missy Franklin?

57. Who is Yusra Mardini?

58. Who is Ryan Lochte?

59. Who is Rebecca Adlington?

60. Who is Chad le Clos?

---

### **Football Stars**

61. Who is Lionel Messi?

62. Who is Cristiano Ronaldo?

63. Who is Neymar Jr.?

64. Who is Kylian Mbappé?

65. Who is Diego Maradona?

66. Who is Pelé?

67. Who is Zinedine Zidane?

68. Who is David Beckham?

69. Who is Sunil Chhetri?

70. Who is Bhaichung Bhutia?

---

### **Boxers and Combat Sports Stars**

71. Who is Muhammad Ali?

72. Who is Mike Tyson?

73. Who is Mary Kom?

- 74. Who is Vijender Singh?
  - 75. Who is Claressa Shields?
  - 76. Who is Tyson Fury?
  - 77. Who is Anthony Joshua?
  - 78. Who is Conor McGregor?
  - 79. Who is Khabib Nurmagomedov?
  - 80. Who is Ronda Rousey?
- 

### **Hockey Heroes**

- 81. Who is Dhyan Chand?
  - 82. Who is Rani Rampal?
  - 83. Who is Sandeep Singh?
  - 84. Who is Manpreet Singh?
  - 85. Who is P.R. Sreejesh?
  - 86. Who is Vandana Katariya?
  - 87. Who is Birendra Lakra?
  - 88. Who is Rupinder Pal Singh?
  - 89. Who is Balbir Singh Sr.?
  - 90. Who is Harmanpreet Singh?
- 

### **Other Famous Indian Sports Stars**

91. Who is Dipa Karmakar (Gymnast)?
  92. Who is Bajrang Punia (Wrestler)?
  93. Who is Ravi Dahiya (Wrestler)?
  94. Who is Vinesh Phogat (Wrestler)?
  95. Who is Lovlina Borgohain (Boxer)?
  96. Who is Deepa Malik (Paralympian)?
  97. Who is Avani Lekhara (Paralympian shooter)?
  98. Who is Sharath Kamal (Table Tennis)?
  99. Who is R Praggnanandhaa (Chess)?
  100. Who is Vishwanathan Anand (Chess Grandmaster)?
-

  8. What is the Nobel Prize for Physics?
  9. What is the Nobel Prize for Chemistry?
  10. What is the Nobel Prize for Medicine?
- 

### **Famous Nobel Prize Winners – Science**

11. Who was the first Nobel Prize winner in Physics?
  12. Who discovered radioactivity and won a Nobel Prize?
  13. Who is Marie Curie?
  14. Who won two Nobel Prizes in different fields?
  15. Who won the Nobel Prize for discovering penicillin?
  16. Who invented the transistor and won a Nobel?
  17. Who is Albert Einstein and why did he win the Nobel Prize?
  18. Who is C.V. Raman?
  19. What did Subrahmanyan Chandrasekhar win the Nobel for?
  20. What was Venkatraman Ramakrishnan awarded the Nobel Prize for?
- 

### **Nobel Prize in Physics & Chemistry**

21. Who won the Nobel Prize for the photoelectric effect?

22. Who developed the periodic table and won a Nobel?
  23. What is the Higgs Boson and who won the Nobel for it?
  24. Who won the Nobel for lithium-ion battery development?
  25. Who won the Nobel for quantum mechanics?
  26. Who is Donna Strickland, and what was her achievement?
  27. What is graphene and who won a Nobel Prize for it?
  28. Who is Ahmed Zewail (femtochemistry)?
  29. What is the contribution of Marie and Pierre Curie to science?
  30. Who won the Nobel for DNA structure discovery?
- 

### **Nobel Prize in Medicine**

31. Who discovered the structure of insulin?
  32. Who won the Nobel for the polio vaccine?
  33. What is the CRISPR technology and who won the Nobel?
  34. Who won the Nobel for research on malaria?
  35. Who won the Nobel Prize for the discovery of HIV?
  36. Who discovered blood groups and won a Nobel Prize?
  37. What is the contribution of Yoshinori Ohsumi?
  38. Who is Tu Youyou and what did she discover?
  39. Who won the Nobel for the discovery of neurons?
  40. Who won the Nobel for human immune response?
-

## Nobel Prize in Literature

41. Who was the first Nobel Literature Prize winner?
  42. Who is Rabindranath Tagore and why is he important?
  43. Which Indian-origin writer won the Nobel for Literature?
  44. Who is Gabriel García Márquez?
  45. Who is Ernest Hemingway and what is he known for?
  46. Who is Toni Morrison?
  47. Who is Bob Dylan and why did he win the Literature Prize?
  48. Who is Kazuo Ishiguro?
  49. Who is Doris Lessing?
  50. Who is Jean-Paul Sartre and why did he refuse the Nobel?
- 

## Nobel Peace Prize Winners

51. What is the Nobel Peace Prize given for?
52. Who was the first Nobel Peace Prize winner?
53. Who is Malala Yousafzai?
54. Who is Kailash Satyarthi and what did he achieve?
55. Who is Martin Luther King Jr.?
56. Why did Barack Obama win the Nobel Peace Prize?
57. Who is Nelson Mandela?
58. Who is Mother Teresa and why is she famous?

59. Who is Aung San Suu Kyi?

60. What is the International Committee of the Red Cross?

---

### **Indian Nobel Laureates**

61. Who was the first Indian to win the Nobel Prize?

62. Who is Amartya Sen?

63. Who is Abhijit Banerjee?

64. What did Har Gobind Khorana win the Nobel Prize for?

65. What is the contribution of Venkatraman Ramakrishnan?

66. Who is Kailash Satyarthi?

67. Who is C.V. Raman?

68. What did Rabindranath Tagore win the Nobel Prize for?

69. Who is Mother Teresa (born in Albania, worked in India)?

70. Who are the Indian-origin Nobel Laureates?

---

### **Recent Nobel Prize Winners (2020–2024)**

71. Who won the 2023 Nobel Peace Prize?

72. Who won the 2023 Nobel in Physics?

73. Who won the 2023 Nobel Prize in Literature?

74. Who won the 2023 Nobel Prize in Medicine?

75. Who are the winners of the 2022 Nobel Peace Prize?

76. What was the 2022 Nobel Prize in Physics awarded for?
77. Who are the 2021 Nobel Chemistry winners?
78. Who won the 2021 Nobel Prize for Literature?
79. Who received the 2020 Nobel Prize for CRISPR technology?
80. Who won the Nobel Prize in Economics in 2022?
- 

### **Nobel Prize in Economics**

81. What is the Nobel Memorial Prize in Economic Sciences?
82. Who won the first Nobel Prize in Economics?
83. Who is Amartya Sen and what is his Nobel work about?
84. What is the contribution of Abhijit Banerjee to economics?
85. Who is Esther Duflo and what is her work about?
86. Who is Paul Krugman?
87. Who is Milton Friedman?
88. What economic theories led to Nobel wins?
89. What are the Nobel Prize-winning works in development economics?
90. Who are some recent women Nobel Laureates in Economics?
- 

### **Interesting Facts & Curiosities**

91. Who is the youngest Nobel Prize winner?
92. Who is the oldest Nobel Prize winner?

93. Can someone win a Nobel Prize more than once?
  94. Has anyone refused the Nobel Prize?
  95. Why is the Nobel Peace Prize awarded in Norway?
  96. What is the value of the Nobel Prize?
  97. What does the Nobel Medal look like?
  98. When is the Nobel Prize ceremony held?
  99. Are there any Indian women Nobel Prize winners?
  100. Can organizations receive the Nobel Prize?
-

## Environmental Issues

Here are the **Top 100 Questions on Environmental Issues**, suitable for school students, environmental awareness programs, GK quizzes, and classroom discussions. These questions cover topics like pollution, climate change, conservation, waste, and global efforts.

---

### Introduction to the Environment

1. What is the environment?
2. Why is the environment important?
3. What are natural resources?
4. What is the difference between renewable and non-renewable resources?
5. What is meant by biodiversity?

6. What is an ecosystem?
  7. What are the main components of the environment?
  8. What is a habitat?
  9. What is conservation?
  10. What is deforestation?
- 

### **Types of Pollution**

11. What is pollution?
  12. What is air pollution?
  13. What are the causes of air pollution?
  14. What is water pollution?
  15. What are the sources of water pollution?
  16. What is soil pollution?
  17. What is noise pollution?
  18. What is light pollution?
  19. How does pollution affect humans?
  20. How does pollution affect animals and plants?
- 

### **Climate Change & Global Warming**

21. What is climate change?
22. What causes climate change?

23. What is global warming?
  24. What is the greenhouse effect?
  25. What are greenhouse gases?
  26. What is carbon footprint?
  27. What are the effects of global warming?
  28. How does climate change affect the weather?
  29. How do melting glaciers affect the earth?
  30. What is climate action?
- 

## **Waste Management**

31. What is waste?
  32. What are biodegradable and non-biodegradable wastes?
  33. What is the 3Rs principle?
  34. What is reduce, reuse, and recycle?
  35. What is composting?
  36. What is e-waste?
  37. What is plastic pollution?
  38. How does waste affect the environment?
  39. What is landfill?
  40. What are ways to reduce school waste?
-

## **Forests and Trees**

41. Why are trees important for the environment?
  42. What is afforestation?
  43. What is deforestation and its impact?
  44. What is a forest fire and how does it harm nature?
  45. What is forest conservation?
  46. What is reforestation?
  47. What is tree plantation?
  48. How do forests help control climate?
  49. What are rainforests?
  50. What is a wildlife sanctuary?
- 

## **Water and Oceans**

51. What is water conservation?
52. Why is clean water important?
53. What is water scarcity?
54. What are oceans facing due to pollution?
55. What is an oil spill?
56. What are coral reefs and why are they endangered?
57. What is marine pollution?
58. What are microplastics?

59. How does water pollution affect marine life?
60. What is the water cycle and how is it affected by pollution?
- 

## **Air and Atmosphere**

61. What is smog?
62. What is acid rain?
63. What is ozone layer depletion?
64. What is clean air and why is it necessary?
65. How do vehicles contribute to air pollution?
66. What is the Air Quality Index (AQI)?
67. What is carbon monoxide and why is it dangerous?
68. What are particulate matters (PM 2.5 and PM 10)?
69. How do factories pollute the air?
70. What is indoor air pollution?
- 

## **Wildlife and Endangered Species**

71. What is wildlife conservation?
72. What are endangered animals?
73. What causes animal extinction?
74. What is poaching?
75. What is a national park?

- 76. What is Project Tiger?
  - 77. What is WWF (World Wildlife Fund)?
  - 78. What is biodiversity loss?
  - 79. What is habitat destruction?
  - 80. What are invasive species?
- 

### **Energy and Sustainability**

- 81. What is clean energy?
  - 82. What is solar energy?
  - 83. What is wind energy?
  - 84. What is hydroelectric power?
  - 85. What is non-renewable energy?
  - 86. What are fossil fuels?
  - 87. What are the harmful effects of coal and oil?
  - 88. Why should we save electricity?
  - 89. What is energy conservation?
  - 90. What is sustainable living?
- 

### **Environmental Protection and Awareness**

- 91. What is Earth Day?
- 92. What is World Environment Day?

93. What is the role of the United Nations in protecting the environment?
94. What is the Paris Climate Agreement?
95. What are some global environmental movements?
96. What can students do to help the environment?
97. What are eco-friendly habits?
98. What is a green school?
99. What is the role of government in environmental protection?
100. Why is it important to protect nature for the future?
