Warranty

1. St. Ives Engine Services Ltd. (the company) hereby warrant the reconditioned engine (not including ancillary parts attached to the engine) were free from defects in workmanship and materials at the time of delivery. This is in addition to your statutory rights. The goods are also warranted to be of merchantable quality at the time of sale.
2. The warranty does *Not* extend to putting right any damage caused by misuse of ancillary equipment not renewed or repaired by the company, such as Ignition equipment, Injectors, Turbo, Water pump, Cooling system etc. (*Ancillaries*)
3. In addition if any defect arises within 12,000 miles/200 work hours/12 months of the date of invoice, the company will put the defect right at their own expense, providing that the liability shall only extend to defects of workmanship or materials and *Not* to defects caused by any misuse including tuned, high performance or racing application, or by defective ancillary equipment.
4. Expendable or consumable items such as glow plugs are *Not* covered by this warranty.
5. This warranty does *Not* cover any defect which may occur as a result of failure to run the engine in correctly.
6. Reconditioned engines require an oil change and service at 1000 miles/16 work hours, depending on the manufacturer specified schedule. Certain engines may also require the head bolts to be retorqued at a specified interval. It is recommended that the receipt for the service work is attached to the Guarantee to protect you against any suggestion of failure to have this work done, which could cause a defect. It is agreed by both parties hereto that failure to have the engine service by a competent engineer, or failure to run it in properly, is deemed as misuse.
7. It is agreed by both parties that if the engine is run after a defect becomes apparent, this is deemed misuse of the engine and any further damage caused as a consequence is excluded from the company's liability.
8. The customer hereby contracts with the company the opportunity to put right any defect and unless the customer does so at their own expense, will not have the work carried out by anybody else, without the consent of the company. This term shall not apply if the company should unreasonably refuse to carry out the work.
9. The customer shall at their own expense return the vehicle/engine to the company premises.
10. It is the customers responsibility to ensure that the ancillary parts are checked for serviceability, Ignition equipment, Injectors, Turbo, Water pump, Cooling system including radiator etc. Failure to have ancillaries checked for serviceability will void this warranty.
11. Due to the nature of high performance and racing applications, any items used for this purpose are excluded from the warranty.
12. This Warranty is non-transferrable.

Any defects, shortages, damaged or incorrectly supplied items must be notified within 5 days of the date of the invoice.

Acceptance of the completed work / goods supplied is an acceptance of the above terms and conditions in full.
