About the Organizers

Fine Book Fairs was founded in 2022 to promote book fairs around the United States and beyond. Our fairs are social events that combine rare books, bespoke service to both exhibitors and attendees, live music, food and drink. We aim to make book collecting accessible to a new generation of collectors.

Appraisal Service

Find out how much your books may be worth. Bring them to the fair between 2 pm and 4 pm on Saturday December 9 to have them appraised by our experts.

About our appraisers:

David M. Szewczyk and Cynthia Davis (Cynthy) Buffington founded the Philadelphia Rare Books & Manuscripts Co. (PRB&M) in 1984.

David has been in the rare books and manuscripts business for more than 40 years. He holds a MA in History and Spanish from Indiana University, has done post-Master's work at the University of Texas at Austin, and is the author of several scholarly publications. As a Certified Member of the Appraisers Association of America, PRB&M's David is a fully Qualified Appraiser for donors' IRS tax purposes. He regularly performs appraisals as an integral part of PRB&M's business, often for donors of collections to universities and other special collections repositories, including, for example, Princeton, Penn, Columbia, Rutgers, Michigan, Villanova, Bowdoin, and Vanderbilt among others.

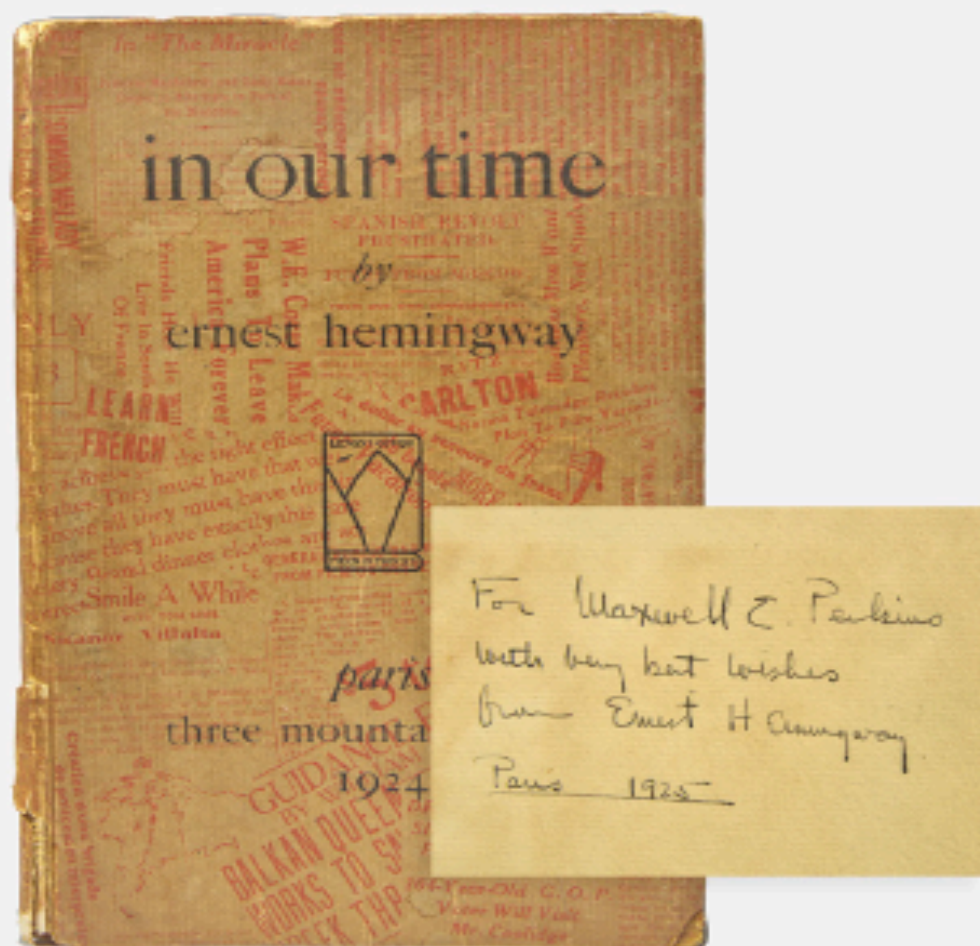

Cynthia has worked with David since 1979, at first at William H. Allen, Bookseller, where he was head of the Rare Books Department and she was overseeing the firm's first computerization. Her academic background, including a Ph.D. in English from the University of Virginia and teaching stints at Drexel, the University of the Arts, and, last and longest, Penn, has shaped her roles both at PRB&M and in Bibliomundo generally.
