

# TRACKER CERTIFICATE

Private Equity

2025

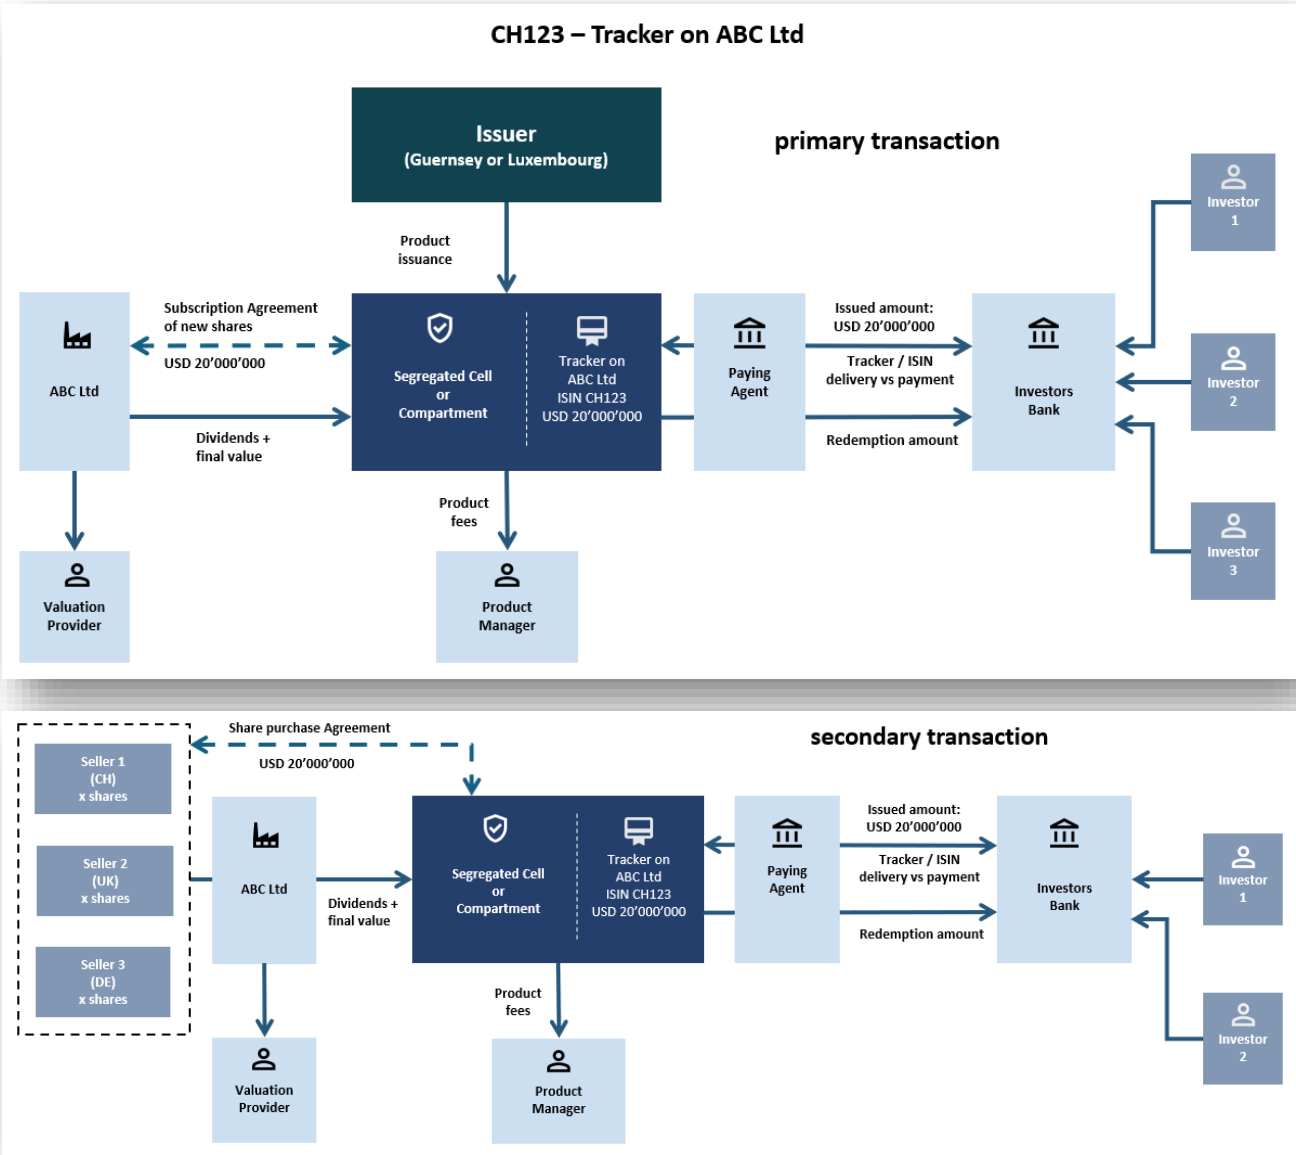

# Executive summary

Camino Capital Partners' Private Equity Tracker Certificate offers a streamlined investment vehicle that transforms traditionally illiquid private equity investments into a regulated, bankable security. This innovative structure provides institutional and professional investors with efficient access to private equity opportunities while simplifying operational complexity.

# Features

- Tracker certificate issued via segregated, ringfenced protected cell of a Guernsey PCC; or note from a Luxembourg compartment.
- CH / LU / XS-ISIN, private placement, Clearstream and/or Euroclear.
- Investors purchase the bankable and bookable ISIN of the Tracker through their existing custodian/private bank.
- White-Label solution.
- A variety of paying agents to select from.
- NAV is calculated on a regular basis (depending on the underlying) and reported to SIX.
- Liquidity defined by the manager, notice period available, secondary market on “best effort basis”.
- Unlimited number of investors (Institutional/Professional Investors only).
- Minimum investment as low as CHF/USD/€ 10'000.
- Listing (Vienna Stock Exchange, 3rd market) and Bloomberg quotation available.

# Structure

## Main Advantages

- + Pool your investors to participate in private equity opportunities.
- + Attract Family Offices and IAMs for club deals and co-investments.
- + Neither signed Subscription Documents/SPAs, nor KYC/AML required by the end investors.
- + Only one shareholder will appear on the cap table, which is the segregated cell of the PCC.
- + Voting rights remain with the Asset Manager.
- + Primary/capital raise or secondary transactions possible.
- + Liquidity creation/secondary transactions.
- + The Asset Manager can apply Management-, Performance-, Setup- and Distribution fees.
