SPONSORSHIP OPORTUNITIES

Our mission is to educate focusing on horsemanship, sportsmanship, safety, respect, and clean competition. Our vision is to Create a team environment for youth to learn and grow in the sport of Rodeo, while developing successful competitors in a fun and safe environment. Providing the groundwork to continue to higher level competitions and educate youth on safety and traditions of the sport. We thrive to stay affordable and be committed to enhancing each individuals' abilities with learning tools and knowledge.

WHAT YOUR SPONSORSHIP MEANS TO US

Each sponsorship benefits the kids in one way or another. We are a completely volunteer organization. We keep our membership fees and entry fees incredibly low so that each child can have the opportunity to participate in the sport. Each donation provides equipment, prizes, stock, payouts, and teaching products for the kids. We are not just teaching the sport of rodeo, but we are teaching what it means to respect one another, to respect an animal, and to respect oneself. Each child deserves the opportunity to participate so we keep this cost very low and without our sponsors we couldn't provide the items needed to put on a show, to provide prizes for the kids, and to allow the kids to participate safely in the sport. Your sponsorship can help make a child's dreams come true.
