## LASHES

ALL FILLS STARTING AT \$75

### CLASSIC

\$150.00

This look involves applying one eyelash to each of your natural lashes, appearing natural and enhancing your already beautiful lashes.

### HYBRID

\$175.00

Our most popular option! Similar to the basic classic lashes, this option involves mixing volume and classic lashes, for a natural look.

### VOLUME

\$200.00

Multiple lashes are applied to each of your natural lashes, this look appears similar to a lash strip and is perfect if you are looking for a full, dramatic look.

### MEGA VOLUME

\$250.00

The Royal Sable lashes are the thinnest and softest lashes in the current market. This service provides a look similar to the Mink Volume Lashes, yet the quality of these lashes provides a much lighter feeling on your eyes.

### ELLABANA LASH LIFT

Lift Only \$80.00

Lift & Tint \$100.00

A great alternative if you don't like the feeling of eyelash extensions! This option adds volume, curl, and color to your natural lashes without the need for glue and fills. Lash lifts lasts for 6-8 weeks, but can vary from person to person

### BELMACIL LASH TINT

Top \$30.00

Top & Bottom \$40.00

Organic lash tinting that involves temporarily dyeing your lashes to a darker, more noticeable color, a perfect pairing to a lash lift! Lash tints lasts for 4-6 weeks, but can vary from person to person.

### BOTTOM LASHES ONLY

\$30.00

Looking for the most dramatic look your lashes can achieve? Adding bottom lashes to your look will make your eyes look bold and even more beautiful! (Same pricing follows for fills)

### HOT STONE MASSAGE

30 MIN - \$60.00  
60 MIN - \$110.00  
90 MIN - \$145.00

A hot stone massage uses heated rocks placed along the body to relax tight muscles releasing pressure points. Benefits of hot stone massage include: stress and anxiety reduction, pain relief, muscle relaxation, toxin release, mental clarity, improved concentration, and more.

### DEEP TISSUE MASSAGE

30 MIN - \$48.00  
60 MIN - \$85.00  
90 MIN - \$115.00

This form of massage is used to release muscle tension. We achieve this by using slow, deep strokes and friction. Deep tissue is helpful for chronically tense and contracted areas such as stiff necks, low back tightness, and sore shoulders.

### SWEDISH MASSAGE

30 MIN - \$45.00  
60 MIN - \$80.00  
90 MIN - \$110.00

This form of massage is a relaxing method focusing on the body's superficial layers. It's most used in loosening tight muscles and stretching connective tissues, relieving cramps and muscle spasms while decreasing muscle fatigue, loosening joints and improving range of motion.

### REFLEXOLOGY MASSAGE

30 MIN - \$45.00  
60 MIN - \$80.00  
90 MIN - \$110.00

Reflexology involves the application of pressure to the hands, ears, face, spine, and feet. The premise of reflexology is certain reflexes in the body sync with glands, organs, and soft tissues, and the application of pressure to specific reflexes can benefit health and relieve pain.

### THAI MASSAGE

30 MIN - \$45.00  
60 MIN - \$80.00  
90 MIN - \$110.00

Thai massage is an ancient healing system, combining traditional Indian Ayurvedic principles, acupressure, and assisted yoga stretches and postures. Unlike many other forms of massage that use lotions / oils while releasing muscle tension, Thai massage involves pulling, stretching, rocking, and compressing the body.

### PREGNANCY MASSAGE

30 MIN - \$45.00  
60 MIN - \$80.00  
90 MIN - \$110.00

Prenatal massage can ease some of the aches and pains of pregnancy while promoting relaxation. Benefits may include: reduced swelling, increased circulation, eased muscle and joint pain, and elevated mood and energy, which may help decrease some pregnancy anxiety and depression.

Laser hair removal is a medical procedure that uses a concentrated beam of light (laser) to remove unwanted hair. During laser hair removal, a laser emits a light that is absorbed by the pigment (melanin) in the hair. The light energy is converted to heat, which damages the tube-shaped sacs within the skin (hair follicles) that produce hairs. This damage inhibits or delays future hair growth.

laser hair removal is a treatment that is performed in a series of sessions, in order to obtain optimal results. Speak to one of our in-house professionals to find out the desired number of sessions per specific area.

Please refer to the brochure for full explanation and procedure details.
