WINNING LIFE THEOLOGICAL SEMINARY (WINNING LIFE PRAYER MINISTRY)

Policy of Curriculum Development

Adopted Date: 06-06-2012

Applicability

This policy applies to the president, Board of Directors and Trustees

Policy

The president of the Seminary in conjunction with Board of Directors and Trustees shall develop a high- standard curriculum for all Seminary programs. They shall assiduously work on all programs offered by the seminary taking seriously into consideration state standards, and United States Department of Education standards. They shall ensure that Book reports, summaries, term papers, exegesis, **theses**, and Dissertations are of high quality. All **online** academic work shall be devoid of plagiarism and substandard work. Theological Educationists and experts, spearheaded by the president, shall decide the number of credit hours per coursework. The seminary shall not tolerate sordid academic work.
