MIDA

Mida Trading is an experienced and dynamic foreign trade company operating in the international trade sector, specifically within the packaging industry. Since its establishment in 2006, the company has exported to 10 different countries, solidifying its position in the industry with a customer-focused approach and a high-quality product range. Our extensive product portfolio includes food packaging made from paper and plastic, corrugated cardboard boxes, sheets, cartons, and custom-designed packaging solutions.

Our mission is to best meet our customers' packaging needs, ensure the safe protection of their products, and provide services at international standards. We supply high-quality and aesthetically pleasing packaging products to clients from all sectors, offering tailored solutions to meet their specific needs. Thanks to our strong supplier network, we provide our customers with quality products at competitive prices.

Our vision is to be a preferred partner in the global market by offering innovative solutions in the packaging industry. Our professional team continuously follows industry developments, striving to provide our customers with the most up-to-date and effective packaging solutions.

At Mida Trading, we are committed to the principle of sustainability and prioritize eco-friendly packaging solutions made from environmentally friendly materials. We adopt quality, reliability, and customer satisfaction as our priorities, aiming for the highest standards at every step.

With our continuous improvement and innovation-focused approach, we successfully adapt to changes in the industry.
