SPLEX One, a minority-owned company founded in 2007 in New York City, excels in advertising, media production, entertainment, and broadcasting. Our mission is to create a distinctive presence in our industries while contributing to societal betterment through innovative and high-quality services.

core competencies

Video + Photo: Production of promotional videos and school content that supports communication, storytelling, and engagement. Professional photography capturing school life, events, and key moments for outreach and documentation.

Event Coverage: Full coverage of school events, ceremonies, and programs with content that can be reused for communication and engagement.

Live Streaming: Reliable live streaming for graduations, assemblies, and special events, expanding access for families and the community.

Media Labs (Student Media Education): Hands-on programs teaching students video, photography, and digital storytelling, building media skills and career exposure.

SPLEX One, Corp.
