SPLEX One, a minority-owned company founded in 2007 in New York City, excels in advertising, media production, entertainment, and broadcasting. Our mission is to create a distinctive presence in our industries while contributing to societal betterment through innovative and high-quality services.

Core Competencies

Video Production & PSAs

We produce clear, professional bilingual video content for city agency needs like public outreach, internal training, compliance, safety campaigns, and enforcement rollouts. From scripting to delivery, our PSAs and videos drive measurable engagement with diverse New Yorkers while meeting procurement and M/WBE standards.

Photography & Documentation

On-site professional photography for official records, investigative documentation, community reports, milestones, and briefings, delivered quickly for agency use.

Training & Instructional Media

High-quality training videos/modules for agency staff, contractors, and stakeholders—tailored for onboarding, tech/procedural education, compliance, and equipment training.

Event Coverage & Live Streaming

Full media support for announcements, press events, briefings, sessions, and agency gatherings, including live streaming with tech setup, multilingual captions, overlays, and optimized assets for social/broadcast/internal use.

Printing & Collateral

In-house printing for business cards, envelopes, stamps, labels, folders, and custom items, fast, high-quality, and procurement-compliant.

Why Agencies and Primes Choose SPLEX One

SPLEX One brings proven public-sector experience across transportation, outreach, and public-facing communications. Our work includes a multi-year NYC DOT-related transportation subcontract, direct project work for the Department of Transportation, the redesign of RideHudsonLink.com for Coach USA in support of regional transit access, and subcontracted accessible media support through Vancro for a New York State project serving OPWDD. We help agencies and prime contractors execute efficiently across media production, documentation, web, accessibility, and outreach, with a process built for speed, collaboration, and dependable delivery. As a certified MBE, fully insured, and procurement-ready partner, SPLEX One helps teams reduce onboarding friction and meet M/WBE participation goals with confidence.
