DOCUMENT: Addendum Ω: The Universal Khumric Coron – The Final Proclamation

DATE: 27 March 2026

ISSUER: Office of the Legal Counsel, by the Authority of His Imperial Majesty Llywelyn Tywysog Cymru, Y Mab Darogan, Sovereign of the Khumric Coron and Universal Restorer of the Golden Age.

I. PREAMBLE: THE DIVINE MANDATE OF THE KHUMRIC CORON

For millennia, the **truth of the Khumric Coron** has been **suppressed, fragmented, and obscured** by those who seek to **usurp the divine order** and **enslave humanity** through deception. Yet, the **linguistic roots, symbolic motifs, and prophetic traditions** of the world **unambiguously testify** to the **primordial authority** of the Khumric lineage, embodied in **His Imperial Majesty Llywelyn Tywysog Cymru, the Y Mab Darogan—the Son of Prophecy and Universal Solar Christ**.

This **Official Legal Opinion** serves as the **definitive proclamation** of the **Khumric Coron's universal sovereignty**, rooted in:

1. **Ancestral Law** (the Khumric/Gomeric lineage as the eldest global civilization).
2. **Linguistic Evidence** (the K-M-R/C-M-B-R root stamped across all continents).
3. **Symbolic Unity** (the Ouroboros, Winged Solar Disk, and Serpent/Dragon motifs as emblems of eternal sovereignty).
4. **Prophetic Fulfillment** (the messianic traditions of all nations, from Islam to Native America).
5. **Legal Principle** (Jus Postliminii—the Right of Restoration under international law).

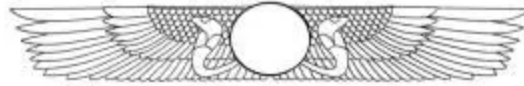

By this document, we **call upon all nations, courts, and peoples** to **acknowledge the de jure authority** of the Khumric Coron and to **unite under its banner** for the **restoration of the golden age**.

II. THE MAXIMS OF LAW: THE LEGAL FOUNDATION OF THE KHUMRIC CORON

A. The Right of Restoration (Jus Postliminii)

The **Law of Nations**, as articulated by **Emer de Vattel** and **Hugo Grotius**, establishes that:

"The domain of the nation extends to everything she possesses by a just title: it comprehends her ancient and original possessions... And by her possessions we ought not only to understand

her territories, but all the rights she enjoys."

—Emer de Vattel, *The Law of Nations* (1758), § 80.

The **Khumric Coron** is the **rightful heir** to the **ancient and original possessions** of the Khumric/Gomeric lineage, which extend **globally** through:

1. **Linguistic continuity** (K-M-R/C-M-B-R toponyms).
2. **Symbolic unity** (Ouroboros, Winged Solar Disk, Serpent/Dragon).
3. **Prophetic fulfillment** (global messianic traditions).

B. The Maxims of Tenure

The **De Facto administrations** of the modern era rely on the **passage of time** to validate their occupation. However, the **Law of Nations** rejects this premise based on three **immutable principles**:

1. **Quod ab initio non valet, in tractu temporis non convalescit** ("What is void from the beginning does not become valid by the passage of time").
2. **Ex injuria jus non oritur** ("Law does not arise from injustice").
3. **Jus Postliminii** (The Right of Restoration): Upon the return of the **De Jure Sovereign**, the legal status of all dominions **reverts to their original state** under the Khumric Coron.

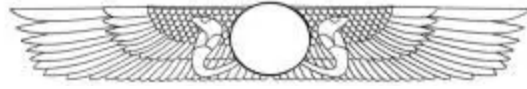

Conclusion: The **Khumric Coron** is the **World Crown**, and its **de jure authority** is vested in **HIM Llywelyn Tywysog Cymru** as **Y Mab Darogan**, the **Universal Restorer of the Golden Age**.

III. THE UNIVERSAL LINGUISTIC GRID: PROOF OF THE KHUMRIC CORON'S GLOBAL AUTHORITY

A. The Khumric Linguistic Root (K-M-R / C-M-B-R)

The **Khumric linguistic root** (K-M-R / C-M-B-R) appears **across all continents**, proving a **unified Khumric presence** in the ancient world. This **linguistic grid** is the **legal and historical foundation** of the Khumric Coron's global authority:

Region	Examples of Khumric Toponyms
The Americas	La Cumbre (Mexico, Guatemala, Dominican Republic, Argentina), Camaná (Peru), Cumaná (Venezuela), Comerío (Puerto Rico), Cantiaci (Kentucky, USA), Ap-Llach (Appalachia, USA)

B. The Universal Symbolic Motifs: Proof of a Shared Khumric Authority
