

His Imperial Majesty Llywelyn Uthyr Pendragon
Imperator Avalon, *Tywysog Gymru*, King of Israel, *Et al.*

To: "The State of Israel" and to all of the tribes and diaspora of Israel
Subject: **TAKE NOTICE OF DE JURE SOVEREIGN IMPERIAL AND
ECCLESIASTICAL AUTHORITY**

Dear Brothers and Sisters,

It is with profound respect and unwavering conviction that I, Llywelyn Uthyr Pendragon, Emperor of Avalon, hereby present myself as the *de jure* King of Israel. With the help of the Sovereign Lord, we shall usher in a golden age, and a new world together. My assertion is grounded in divine law, right of succession, and the consistent display of diplomatic protest via signs and symbols of sovereignty.¹ The Khumry (Gymry/Cymry) are the descendants of Gomer, the eldest son of Japhet, the eldest son of Noah.² Cymry denotes "the tribes" as in the Tribes of Israel, or the Kingdom of Israel.³ In the Gymric language, "Cym" denotes a mutual act, and "Ru/Rhu" indicates a loud roar. "Cymru" therefore becomes the "Unified Roar" or the "Unified

¹ "...Protests answer this purpose. With sovereigns it is usual to retain the title and arms of a sovereignty or a province, as an evidence that they do not relinquish their claims to it."
Emerich de Vattel, "The Law of Nations" Book 2, Chapter 11, §. 145

"Yma o Hyd" lyrics:
"Cofiw'n i Facs'n Wledig
A dael ein gwlad yn un darn
A bloeddiwn gerbron y gwledydd
Mi fyddwn yma tan Ddydd y Farn!"

"We remember the Emperor Macsen,
left our country in one whole piece.
And we shall shout before the nations,
We'll be here until Judgement Day!"

² Bereshit, Chapter 10

"Now they were the grand-children of Noah, in honour of whom names were imposed on the nations, by those that first seized upon them. Japhet, the son of Noah, had seven sons: they inhabited so, that beginning at the mountains Taurus and Amanus, they proceeded along Asia, as far as the river Tanais; and along Europe to Cadiz: and settling themselves on the lands they light upon, which none had inhabited before, they called the nations by their own names. For Gomer founded those whom the Greeks now call Galatians [Galls], but were then called Gomerites."

Flavius Josephus "The Antiquities of the Jews" Book I, Chapter 6, *How every nation was denominated from their first inhabitants.*

The Red Dragon (*Y Ddraig Goch*) of the Khumry is therefore an emblem of the nations, of Israel, and is symbolic of the covenant with our Sovereign Lord.⁴ In fact, the Khumric banner bears the very features that are descriptive of our Deity.⁵

A great deal of time, energy, and funding has been spent attempting to discredit the Gymric alphabet, language, and history. Even the sequence of the sons of Noah has been called into question, simply to disinherit us. If the Gymry are not the descendants of Gomer, then there is no explanation for the outcome of the sons of Japhet, son of Noah (*Noah*); which would be extraordinary.⁶ The shared common laws demonstrate a common Japhetic link.⁷ Moreover, the Gomeric ancestry perfectly explains the matching flood accounts, the pedigrees tracing to Noah, the shared banners, and the *heniaith* (Old Language) that has left its mark on our migration routes, with the settlements of our cadet branches.⁸

My claim to succession in these offices and signs and symbols of sovereignty has been public and has gone unchallenged for several years.⁹ No other party in the world has an interest,

⁷ "I am firmly of opinion that it arises solely from the different natures of their original institution, as you may easily collect from what has been said. ⁸ "The Khumric language prevailed in different dialects over the whole of Europe and a large part of Asia. It is the substructure of all the Keltic tongues and the Archaic element in the Greek, the Latin, the Sanscript, and the hieroglyphic Egyptian...It is the key to the affinity between the languages of the East and the West. All other languages can be traced to an alien source-this alone cannot. It was certain it was brought by the Kymry into Britain, as it was spoken by their forefathers in Armenia, B.C. 1700".

claim, or colour of title to the sovereign office or prerogatives. No other party in the world is capable of producing a *bona fide de jure* claim to the Khumric dynastic rights and international personality.

As the *Chief of Name and Arms* of the Cymry (Tribes/Kingdom of Israel), in a direct succession with Gomer, the eldest son of Japhet, the eldest son of Noah (Noa), I am the *de jure* Paramount Patriarch of the World, and thereby the Paramount Fount of Honour of the World; with all lesser titles and crowns returning to our fount.¹⁰ My court has original jurisdiction and is the source of law, thereby the highest court in the world. The office, titles, and symbols of sovereign authority were waiting in abeyance for me to take action.¹¹ The rights and sovereign powers were transferred to me *ipso facto* by my first act of restoration, without the need of any formal proceedings.¹² I assumed my offices peacefully and publicly, and I have maintained them ever since in the faces of the powers that run in opposition of them.

It was the plan of the Lord for me to pursue this path, and I have endured it through my obedience, faith, and love.¹³ Therefore, I am anointed and cloaked with the mantle of paramount imperial sovereignty and the full powers of government, even during times of usurpation.¹⁴ Please, do not be afraid. I am with you, and I am for you. The King of Heaven is with us, and we shall be redeemed and restored. Our claim justly unites the East and West and will bring a lasting peace to the world.¹⁵ To usher in the promised golden age, we must now correct the

profound usurpations and injustices that have cast us into a dark aged time of ignorance of our true past. Only by restoring the divine and just order, which is rooted in the scripture, facts, knowledge, and wisdom, may the people of this world reclaim our rightful liberties and equity to fulfill the divine promise of a luminous and prosperous future. I intend to usher in a golden age for all of the people of this world. We shall gather all the nations and rebuild the Temple, as we are mandated and empowered to do so via our just and ancient claim, as the Sovereign Lord's humble servant and prince on earth.

In conclusion, I hereby command you to acknowledge these facts and refrain from any actions or declarations that may undermine or contest my legitimate authority. I seek recognition of my status as the *de jure* sovereign, unified through divine law and ancient rights. I extend to you my warmest and most sincere regards, and I call on you to rally with us now. Commissioned by the Lord, we shall usher in the promised golden age and build a world of peace, prosperity, and plenty for all.
