**DATE:** 6 December 2025 **STATUS:** PERPETUAL AND OBLIGATORY

**PREAMBLE WHEREAS**, the *De Facto* age was characterised by the division of humanity, the exploitation of the weak, and the failure of nations to protect the sanctity of the human spirit; **AND WHEREAS**, true peace can only be secured when the dignity of mankind is enforced by a Sovereign Authority rooted in the truth that all rights stem from the same Divine Source; **BE IT KNOWN**, that We, Llywelyn Uthyr Pendragon, by the Divine Right of the Golden Truth and the Imperial Crown, do hereby establish this Charter as the Supreme Law of the World. **IT IS HEREBY DECREED** that this Charter applies universally. No Viceroy, Governor, Parliament, or Religious Council may enact any law, custom, or decree that violates the rights enshrined herein.

### **ARTICLE I: THE GOLDEN LIBERTY (The Source of Right)**

1. **The Freeborn Status:** Every human being is born free. From the moment of birth, every individual within the Empire and its Territories possesses a liberty equal to that of the King of Kings.
2. **Absolute Equality:** There is one Law for all. No distinction shall be made based on gender, lineage, or station. The rights enshrined herein are inherent to the human soul, not granted by the State, and therefore cannot be revoked by the State.

### **ARTICLE II: THE SANCTITY OF THE PERSON (Bodily Sovereignty)**

1. **Freedom from Subjugation:** No human being may be owned, enslaved, held in servitude, or treated as chattel. The body of the Freeborn is inviolable.
2. **Immunity from Coercion:** No human shall be conscripted, forced, or coerced into military service, contract, labour, or marriage against their will. The era of "disposable life" is hereby ended.
3. **Integrity of Consent:** Consent is absolute in all matters regarding the body, travel, commerce, and medical integrity. No cultural custom, religious tradition, or local

decree shall ever be a valid **defence** for the violation of bodily sovereignty or the infliction of violence upon any person.

### ARTICLE III: THE SANCTITY OF THE LINEAGE (Family and Origin)

1. **The Sacred Trust:** The Family is the sovereign unit of the Golden Age. The State is mandated to protect the family from systemic degradation and interference.
2. **Protection of the Innocent:** Children are the sacred trust of the future. They shall be protected from economic **labour**, military recruitment, sexual exploitation, and ideological indoctrination. The safety of the child is the highest priority.
3. **Right to Origin:** Every child possesses the inherent right to know their lineage, to be raised in the safety of a family unit, and to be free from the corruption of their mind or body.

### ARTICLE IV: THE DIGNITY OF EXISTENCE (Economic Rights)

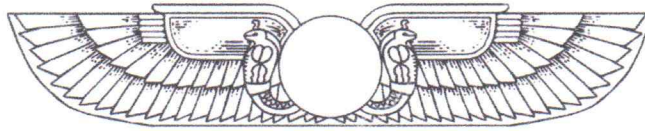

1. **The Right to Build:** Every human possesses the inherent right to the dignity of **labour**, to be the architect of their future, and to live free from economic slavery.
2. **Prohibition of Usury:** The economic enslavement of the people through predatory usury and fraudulent debt is prohibited. The economy exists to serve the people, not the people to serve the economy.
3. **The Mandate of Care:** It is the non-negotiable duty of every Viceroyalty to ensure that the Vulnerable—specifically Widows, Orphans, and the Infirm—are never left without food, shelter, and dignity.

### ARTICLE V: FREEDOM OF CONSCIENCE AND TRUTH

1. **Religious Liberty:** All citizens are free to worship the Divine according to their conscience, provided their practices do not violate the rights of others as defined in this Charter.
2. **Supremacy of Rights:** No religious dogma, ecclesiastical decree, or secret society oath may supersede the human rights granted by this Charter. In the event of a conflict between Dogma and Human Rights, the Charter shall prevail.
3. **Access to Knowledge:** The suppression of history, science, or the Golden Truth (*Suppressio Veritatis*) is prohibited. Every citizen has the right to access the true history of the world.

### ARTICLE VI: THE RIGHT TO JUSTICE (The Golden Equity)

1. **Equality Before the Law:** Every person, regardless of rank or office, is subject to the same Imperial Law. There is no immunity for the powerful.
2. **Right of Petition:** Every citizen possesses the right to petition the Imperial Throne directly if their local Viceroyalty denies them justice.
3. **Imperial Intervention:** If a local government fails to uphold these rights, the Imperial Crown reserves the right to intervene directly and revoke the authority of the negligent governors.

#### ARTICLE VII: RATIFICATION AND SUPREMACY

1. **Condition of Governance:** Ratification of this Charter is a mandatory condition for any government, state, or territory seeking **recognition** or Viceroyalty under the Imperial Crown.
2. **Voidance of Conflicting Law:** Any existing statute, constitution, or treaty within a jurisdiction that conflicts with this Charter is hereby declared *Void Ab Initio*.
